Announcement will be made for the blessing of the children under school age the grammar school children will have their Mission. Father Barry asked us to plan to be present and asked the prayers of the congregation for the success of the Mission. He urged all of high-school age and all ages to make the Mission.

The time for Thanksgiving will be very opportune and the Mission will be a fitting preparation for the coming of Our Savior at Christmas time.

All of this tends to greater devotion and to a deeper realization that the church is God's house and that nothing is too beautiful for Him. It makes it much easier for us to concentrate and center our thoughts upon the Tabernacle His home.
