NEW IDEAS A Novel Gift Idea FOR HOME-MAKERS

By RUTH WYETH SPEARS

A GAY TOY FOR CHRISTMAS This bean bag fish will swim through the air if it is fastened on a stiff piece of cardboard and hung on the Christmas tree. It will be most realistic if the body is made of striped material with contrasting tail and fins. You will have as much fun making your own pattern from the diagram in the sketch, as the children will have playing with the finished toy. The materials will be navy beans, scraps of goods not more than eight inches square, a pair of pearl buttons and a little colored thread.

NOTE: If you have someone on your Christmas list who likes to sew, a set of Mrs. Spears' home-making booklets will be a welcome gift. The complete set of seven booklets in colorful Christmas wrapping, mailed day order is received.
