mas play They are back raw, (from feft) Thomas Murray, Robert Howard, John Kitzel, Brade Juppa, Frank Dunbar, William Winans, Frederic Vanderhoff, Nelson, Owan; Second raw, John LaPalm, Allan Yet-ter, John Dessuer, Robert Beler, David Knapp, Philip Burke, (Phillip Gibson was not present when photo was taken).

#### A CHILD IS ENTITLED TO RESPECT

BY EWWA GARY WALLACE

Issued by the Natural Kinderquiten Assucing un, a reconsistent New York total These societies are appearing weekly in our

There are some grown-up persons both parents and ten here who seem to take it for granfed that a child should be ready at any time to let others know exactly what he thinks and how he feels

sons who are in charge of children, not to feel free to prod the child to reveal what he thinks or whether better or to drag his short-comings into the open. He desiares that one of the ways in which parents and teachers can exert a mendous influence in guiding chil-dren is to help the boy or girl make his own adjustments, but

nizes the right of the individual. The responsibility of parents and not to make statements which can teachers is indeed great. As far as be used against him Sometimes, to possible, we should encourage chibe sure, it is desirable that a child dren to be frank but should seldom

shall teil quite fully what he has Service live joined in an even or done in order that those monomous L cagne for Spiritual in authority may anderstand and world Work the purpose of which govern their own actions second is to perform regularly some ingly. But in any case we must printingly works of charity arrives. ingly. But in any case we must precious individual possession tas swn self-respect.

As a usual thing the confidence of the child may be gained and Social Work have made the fol-held easily by the one whom he receives promises. To say three spects and who respects him Hall Marys daily, during a visit to Sometimes the child will not be the Bleesed Sacrament made es-ready to reveal what he has in his periodly for that purpose, for those heart and mind at once We are a who are in need of help: to offer a good deal like that ourselves de Holy Moss and Communion each strois of keeping our impressions week for those who need help, and to ourselves until we are in a reyealing mood-

Many a child, has told untruths salvation of themselves and a method of defense against a, those they are trying to help as a method of defense against a sudden demand for information Dr John J. B Morgan, Professor of Psychology at Northwestern University, declares that a study of

#### Students Pjédge Spiritual Works of Charity-For Year

WASHINGTON Ax a spiritual New Year's Resolution students of the National Catholic School of

Aside from the social services thich the students render daily to those who need their help mem-bers of the League for Spiritual Fran a Holy Mass for the eternal salvation of themselves and of

force a confession We should teach them to be hopeful to expect justice and a square deal It that to do this does not mean that the child should be required to wristly's psychological clinic, conmake a display or an exhibit as it were of all he thinks or all that he has done.

Even the law of the land recognizes the right of the individual makes the right of the individual cleachers is indeed great. As far as well within him will grow and noble within him will grow and bear the finest find of truit.
