The fireman, Charles H. Clark of 1163 College Ave. stopped the train. The Limited was flagged by Conductor Martin J. Oliver of 971 Walnut St. and the body of Mr. Lynch was placed on the train. An ambulance met the train at East Bethany and it was then brought to Elmira.

Mr. Lynch entered the service of the Lackawanna in 1901. He became a fireman in 1912 and has since been employed as an engineer.

He was a member of St. Cecilia's Church, Elmira Council Knights of Columbus and the Brotherhood of Locomotive Engineers.

Surviving are his wife, a daughter, Mary Frances, five sons, Joseph P., William John, Gerald, all of Elmira, and James of Moffat Field, California; two sisters, Mrs. Helen Fagan of Buffalo and Mrs. Robert J. Cain of Elmira.

**Ss. Peter and Paul's Parish ANNUAL STATEMENT**

"Ss. Peter and Paul's Church has no debt, nor are there any financial obligations on the church." So announced Magr. John J. Lee, pastor of the church as he presented the financial statement for the past year. The receipts were \$12,877.47 and the expenditures were only \$12,498.65. He said that he wished to thank the people of the parish for their loyalty and their uncomplaining assent to bear cheerfully all the burdens placed upon them. "With confidence we face the future," he said, "but not without asking the good God to be generous with his blessings and kind in His judgments of the people of Ss. Peter and Paul's Church."

Magr. Lee also made reference to the motto of Ss. Peter and Paul's cemetery which is, "Let your monument be a Cross." The Monsignor explained, "The cross is the sign of our faith in life, and it should be the sign of our hope in death. Sleep your eternal sleep under the sign of your faith. Arise on the judgment day with the cross for your banner. Let your monument be a cross so that those who pass by may know your faith. The Cross is an ornament that means some-

thing, anything else is just a marker."

**Mothers Club**

The mothers and relatives of the men in the Army and Navy from Ss. Peter and Paul's have organized into a club and Mrs. John Birmingham has been appointed as leader. The first act of this newly formed club was to arrange to have a High Mass every month, begging God to protect their sons and relatives and bring them home in safety. They further resolved to attend the usual Sunday night Devotions that are held for the men of the Parish who are in the armed services of the country.

**Shrine . . .**

Close to the Sacred Heart Altar hangs a life sized Crucifix. It was the gift of the mothers of the parish who had sons in the last world war. It serves to perpetuate their memory and show forth the loyalty of Ss. Peter and Paul's parishioners to their country. At the present time this Crucifix has been designated by Magr. Lee as a shrine to which the members of the parish can come and pray for the welfare of the young men of the parish who are now away in the army. A light will be kept burning before the Crucifix as long as the war lasts.
