HOLY FAMILY HIGH-LIGHTS

By MARY ELLEN FITZGERALD

ANNUAL RETREAT

The annual retreat for the students of Holy Family High School, which opened on Wednesday, February 18 under the direction of the Rev. John Collins, S. J., will close on Friday of this week.

CONFERENCE HOUR

At the regular monthly conference hour held on Tuesday, Feb. 10 for the high school students, the Rev. John Guy gave a very practical talk on the Fifth Commandment, stressing the importance of practicing the virtue of kindness, particularly toward those at home.

SENATE CLUB

A debate was held in the High School library on Monday, Feb. 16, under the supervision of Judge Rooney. The subject discussed was: "Should the United States concentrate their forces in the Pacific, or should they use them mainly to oppose Hitler in Europe?" The negative side was upheld by James Brennan, Robert Doyle and Paul Dochety, while the affirmative was taken by Kathryn Cutler, Allcemarie Mohan and Rosemary Ryan.

Paul Dochety, president of the Senate Club, has announced that there will be a debate between Holy Family High students and those of Assumption High, Syracuse, on Feb. 25 at Syracuse. The topic and the names of those on the team, as well as other scheduled debates, will be announced some time during the week.

The Greatest Reality

The greatest reality in our life is God the unseen, but everywhere-present God, the Father, the Guide, the Healer, the Friend, the most social being, although He is so unique and individual and hermit-like in this universe.

His providence is real, His power to create and to govern, His love and justice, His wisdom and His will, they are all realities. We must not forget them, but build them into our personal and social life.

They would make a new life of ours if we could do that; they would transform as if by magic the whole human community or society. But unfortunately a great number of men forget Him and qualities. And that's also a reality, that they forget.

God suffers this world and society to exist, to carry on. Although the world, with inhabitants, is not quite up to the mark which God has drawn, yet it is not an utter failure, not from God's point of view, just as it is not perfect success.—The Pilot (Boston)
