**Holy Family High To Debate  
With Assumption of Syracuse**

AUBURN—The debating team chosen from members of the Senate Club of Holy Family High School will hold its first debate of the year next Wednesday at the Assumption High School auditorium. Eight o'clock is the hour set for a lively discussion of the current question, "Should the U. S. concentrate its main strength in the Pacific or should we concentrate our main war effort in Europe?"

The Syracuse team will uphold the negative side of the question and Holy Family the affirmative. Members of the Holy Family team are: Mary Wilson, Kathryn Cutler, Joan McDowell and Paul Dochety. Attorney Joseph J. Rooney directs the Senate Club and also the debating team. He plans to have Assumption come to Auburn for a return debate sometime in the future. Assumption and Holy Family are rivals of long standing. Four years ago the schools contested in the same line and Assumption was the victor. This will surely add to the enthusiasm of the participants. In basketball the two schools also contest and there is a game scheduled for Monday, Feb. 23, in Syracuse.

The Senate Club, from which participants in outside debates are arranged and active members hope for many other engagements during the season. Meanwhile, members are invited to attend a panel discussion including members of Holy Rosary and Utica High Schools on March 1. In the future a busy season is expected by Holy Family debating enthusiasts through the contacts made by Paul Dochety, president.

**BILL OF RIGHTS WEEK**

The occasion of "Bill of Rights Week" was appropriately celebrated by teachers and pupils of St. Patrick's School in Seneca Falls. Addresses were delivered by the Rev. Bartholomew L. Quirk, pastor, and Trooper Mansfield. The former explained the meaning of the "Bill of Rights" and its significance, while the latter emphasized the necessity of observing "Safety

Rules." Their interesting and inspiring talks were well received. Impressions of the observance were expressed as follows: "The children feel that the week was a red lettered one, coming as it does, when the country we love so dearly, is going through such a great crisis. "We hope and pray that the "Bill of Rights" will always occupy the important part it now occupies in our government, and that the "Stars and Stripes" will wave over our beloved United States for time to come."
