OUR LADY OF VICTORY PRAY FOR US

Prayer Crusade Opens To Our Lady of Victory For United Nations' Quick Victory

LACKAWANNA—Rev. Joseph E. Maguire, Superintendent, Father Baker's Homes of Charity, here, announces the formation of an All-American, Coast-to-Coast Prayer Crusade to Our Lady of Victory for a speedy Victory for America and her allies.

"Here in Lackawanna," says Father Maguire, "is the National Shrine of Our Lady of Victory. This exquisite structure, Father Baker's last great work, is her earthly home and as such will form the center of a gigantic wave of supplication and prayer that will, we hope and trust, help in great measure to hold back our enemies and bring glorious Victory to the 'right' nations of the world.

"Father Baker's phenomenal success in building a city of charity here in Lackawanna and the favors received (many of them miraculous, indeed) by millions of men and women throughout the country all through prayer to and intercession of Our Lady of Victory, attest the power of the Mother of God and her desire to help us in all our difficulties.

"The War is on. It must be won. Being Americans, we want an American Victory. An unjust aggressor has attacked us. American blood has reddened the white sands of Pacific beaches. We shall stop at nothing short of Victory.

"We need more than soldiers, more than arms, more than money to achieve a glorious Victory for America. We need PRAYER. We need a daily, a constant, gigantic wave of PRAYER—a good, sincere, honest prayer for a speedy Victory, and a just and lasting peace.

"To whom shall we pray? We shall pray to God alone, the Maker of Heaven and Earth, the Dispenser of Victories. Who shall be our Advocate? To whom shall we go

Aid In Distributing Braille To Blind

KANSAS CITY - The St. Vincent de Paul Society of the Cathedral parish is sponsoring the distribution of the Braille edition of the Catholic Digest to the blind.

The monthly Braille edition of this magazine is published in three parts, each part measuring 10 inches wide and 12 inches long. The de Paul men place the first part of the magazine in a home of the blind for a week and then pick it up to deliver to another, at the same time leaving the second part, and so on.

to plead our cause in Heaven? God's own Mother **OUR LADY OF VICTORY**

"In the cause of justice and right, the Queen of Heaven, Our Lady of Victory, is our War-Like Lady. She is our Queen who has known the rattle of sabres, the roaring of cannons and the flaming guns of other days. Today, tonight, far out in strange Pacific Isles, amid the smoke of battle, whining bullets and roaring aircraft, she is beside our soldiers with the assuring power of ultimate Victory.

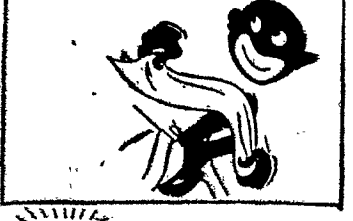

"Long ago, our country was dedicated to and placed under the Protection of Our Blessed Lady. She is the 'PATRONESS' of the UNITED STATES. Let every American join in the All-American Coast-to-Coast Prayer Crusade that She, Our Lady of Victory, intercedes with her All-Powerful Son and gain Victory and Lasting Peace to America and to all deserving nations of the world."

All are asked to say the Litany of Our Lady of Victory daily, to go to Mass and receive Holy Communion daily, if possible, and to make the five Solemn Novenas held each year in March, May, August, October and December at the National Shrine of Our Lady of Victory.

Non-Catholics are asked to join in this Prayer Crusade to say the Litany daily and recite other appropriate prayers. CATHOLIC COURIER readers and others desiring Litanies for self and friends, may obtain same by writing Father Baker's at Lackawanna, N. Y.

FAMOUS CLOSE SHAVES By Barber Sol

BLACKEST MAN ALIVE... CAPT J.M. HADLEY, CO-PILOT ON AN OBSERVATION FLIGHT OVER GERMANY JAN. 6, 1918, WAS THROWN FROM HIS NOSE-DIVING PLANE AT 15,000 FEET. HE FELL ON AGAIN AFTER DROPPING SEVERAL HUNDRED FEET.

HERO'S HELMET... MAJOR PAUL C. RABORG OWES HIS LIFE AND A WORLD WAR I DECORATION TO HIS HELMET, WHICH, WHILE SLUNG AROUND HIS NECK AND RESTING ON HIS CHEST, STOPPED A FUSILLADE OF MACHINE-GUN BULLETS FROM A HIDDEN NEST, THUS ENABLING THE CAPTURE OF AN IMPORTANT HILL.

WHAT A COOZY WAY TO SHAVE!

BARBER SOL SAYS: BRIDGE STUDENTS WHO WOULD NOT SHAVE WERE FORCED TO DO SO WITH THE LID OF A TIN CAN.

FLUKE FOR GRAVY... THE WASHINGTON BASE BALL TEAM WOULD HAVE LOST THE 1924 WORLD SERIES TO THE GIANTS HAD NOT AN EASILY BATTED BALL STRUCK A PEBBLE AND WHAT WOULD HAVE BEEN THE THIRD OUT PASSED FOR A HIT.
