Basketball

Win 12 Games In A Row

AUBURN - Winners in the Catholic Church Basketball League, on Feb. 24 were the St. Hyacinth's, St. Francis and St. Mary's quintets with the teams representing Holy Family, St. Aloysius and St. Alphonsus on the short ends. All three games provided plenty of thrills on the Roman A. C. Courts in Clark Street and were hard and cleanly played.

In the first contest, the league-leading St. Hyacinth's hung up their 12th straight victory by nosing out the Purple Flyers of Holy Family, 24 to 22. The North Streeters were trailing nine points at the start of the final frame, when they staged a rally that came near netting them, the spoils. Capt. Mike Kott of the Hyacinths played a fine foot game and garnered 16 points. Babe Synnot, Purple Flyer ace, tallied seven points.

The second tilt brought together the St. Francis lads and the fighting St. Aloysius team and when the smoke of battle cleared the score stood 22 to 20 in favor of the former. The team made a valiant attempt at winning, tying the count in the final period but the lads put on the pressure and scored their own victory and led the team with 11 points.

In the final game of the evening the St. Mary's players defeated the Columbian quintet of St. Alphonsus by the close count of 24 to 21. The Aquinas were favored to win

With St. Andrew Seminarians

By JOSEPH W. DAILEY Students of St. Andrew's were addressed on Tuesday by the Rev. Edmund A. Anable, S.J., lately returned from missionary work in Akulurak, Alaska. Father Anable impressed and thrilled the students with his accounts of the beginnings of Catholicism in Alaska and the difficulties of the early missionaries in comparison with the comparative ease of missionaries of today.

Discussion followed the lecture and the speaker was kept busy answering the numerous questions of a very much interested body of seminarians. SENIORS OUTDOOR EVENT The Seniors enjoyed Washington's Birthday at Ellipse Park. Toggling took up most of the day which was topped off by a very fine meal cooked by themselves in one of the park's cabins.

WASTE PAPER DRIVE

On Feb. 26 the High School Senior Class of the Seminary inaugurated a waste paper drive and have had the cooperation of both High School and College Departments of the Seminary. Whatever profits are made from this drive will go towards purchasing a new organ for the St. John Fisher Chapel of St. Andrew's Seminary.

Getting On In The World

"Laugh and the world laughs with you, weep and you weep alone." A hearty laugh is like a bright sunshiny day. It instills good will and good feeling in everyone just because it exists.

CURES FOR DESPONDENCY

A laugh is wonderfully contagious; if you have it and are in constant contact with others they are certain to have it too. It is not the laugh itself but the fact that some one possesses the power to laugh, some one who is a happy person in spite of trouble and care, some one who feels the complete joy of living.

INDIA SCHOLARSHIPS

Alahabad, India. - Though non-Catholic schools in the United Provinces of Agra and Oudh far outnumber Catholic institutions, it is striking to note that the majority of State scholarships are won by Catholic schools. Of the first 12 students in the Scholarship list nine attend Catholic schools.

Even the snow does not stop roller skating. Holy Apostles' Sodality held a very successful party at the Stone Street Arena, Thursday, Feb. 26. As is the friendly custom of Sodallists, many outsiders attended and spent a thoroughly enjoyable evening.

In charge of the annual Communion Breakfast of St. Monica's Sodality are the following: Toastmistress, Rita Stutsman; Reservations, Committee Chairmen; Food, Edna Hazell; Table Decorations, Jean and Joan Shire. Serving, Josephine Albert. Tickets are 25 cents and reservations will not be taken after Thursday, March 6.

According To The Doctor

SORE THROATS Many of the continuing sore throats are more than an aftermath of a winter cold. Recent investigation shows that a large number of heart diseases have had their beginnings in early life with infected tonsils.

Diseased tonsils may be enlarged. The small pockets in them may contain pus and there may be frequent attacks of sore throat, which, if severe, may result in tonsillitis. Nature makes a great effort to confine the pus to the tonsil and often succeeds in so doing. If the pus is confined it may do no harm. But if it gets into the blood stream and floats about the circulatory system, it may lodge in the eye, producing eye inflammation. If it lodges in the muscles or about the joints, rheumatism may follow, or it upon the valves of the heart, an inflammation of the lining of the heart may follow, resulting in chronic invalidism.

Some people have sore throat after the removal of their tonsils. Since the tonsils occupy but a small area of the pharynx, their removal may not prevent an inflammation of the remaining mucous membrane of the pharynx and occasionally an infection of the scar tissue formed in the old tonsil. Sore throat may follow.

The throat then should not be subjected to continued spells of coughing and wheezing without examination, attention and treatment. Something deeper and more serious may be hidden beneath the symptoms of sore throat.
