Pledge To Continue

The bishops of the Norwegian State Church (Lutheran), all seven of whom have realgaed their posi-tions in protest against expressive menaures of the Nant Quisling Gov-ernment, have emphasized that they will continue "insofar as it is possible for a non-efficial" to per-form their spiritual duties, "Nerws of Norway," issued by the Floyal Norwegian Government's press representative is Washington, states.

Tra their feltars of resignation, "Nows of Norwisy" says the blah-ope stated that "the spiritual du-ties which were given to me by ordination at the Lord's altar are

still mine with God and with right. To be a preacher of the Gospel, the.

congregation's minister, and spir-liumi adviser of our pastors is and

will coltinue to but pastors is and will coltinue to be my duty. I shall continio to look after these duties insofar an it is possible for a non-official."

to make a breach in our national unanimity." In a radio address to the Swias people, President Etter did not minimise the dangers that con-frient Switzerland and the greater dangers that threaten. His words found a responsive cherd in the hearts of most Swiss; nevertheless, the German-language press found fault because Presi-dent-Etter, in his speech, placed Switzerland "under the protection of Almighty God," and recom-mended personal prayers for the intercession of Bleased Nicholas of Flue whom he termed "the father of the Fatherland."

The map above shows not only the territory in which the war is being waged so bitterly but also the accessiantical divisions located in this part of the world. The situation grows more oninous daily. Anxiety for our missionary priests and sisters is continually increasing. However, despite the

added hardships they will remain loyally by their little flocks of Christians to succor them in their in our city within recent, years, it time of strife and suffering. Is stated at the diocesaw office, So-

Within this territory are located, ciety for the Propogation of the many American missionaries some Fakh. mative Rochesterians, other visitors When the island of Mindanao (1) was cut in two by Japanese forces, it was necessary to appoint a new Superior of the Jesuit priests in the southern islands of the Philip-

pines group. The choice fell to the Rev. Joseph Lucas, S.J. Father Lucas visited in Rochester in 1936 and impressed everyone with the story he related of Christian ad-

vances in the Pacific Isle. Monsignor G. Martens of the Schelt Fathors and Prefect Apostolic of Makassar (2) has been a long-time friend of the office of the Society for the Propogation of the Faith.

The New Guinea Group (8-9-10) prominent in the daily news recently is the scene of labor for Sizter Theophane, sister of Rufus Maier of Clinton Avenue, and Sister Frances, S.Sp.S., daughter of Mr. and Mrs. A. Bott of Portland Avenúe.

Capital City of Kieta (15) in the North Solomon Islands, frequently called the Gems of the Pacific, is the episcopal sec of the Most Rev. Thomas J. Wade, S.M. Hishop Wade is a native of Providence, R. I., and on his recent trip to America favored us with a visit. When it was suggested to him to vacate his See for reasons of greater safety, the Bishop refused to abandon his priests and people for his own welfare. "We solicit of all our readers a

"We solicit of all our readers a daily crusade of prayer for the missionaries stationed in the war theatres of the world- By your prayers put them into the safe keeping of the Blessed Virgin Mary; by your intercession make the Little Flower of Jesus their special protectoress." is the appeal, this week to all discession of the this week, to all diocesans of the Rev. John S. Randoll, diocesan director, Society for the Propogation of the Faith.
