The article is condensed and reprinted from the February number of THE SIGN and is entitled "Brazil: Heart of the Hemisphere." It gives a brilliant picture of Brazilian life in general and of the Vargas administration in particular.

Ellen's article is on page 70 of the Catholic Digest. The Catholic Digest is on the magazine table at the Waverly Free Library at the junction of Fulton and Elizabeth Streets in Waverly.

## Cathedral Community Center Conducts A 'Toy Library'

LOS ANGELES.—There may be more popular spots in and about Los Angeles, but to several hundred little ones who enjoy the privileges of the toy-lending library established at the St. Vibiana's Cathedral Community Center they are yet to be located.

The center, established in a converted Jewish synagogue, carries on, under the sponsorship of the Rt. Rev. Msgr. John Calvey and the direction of the Rev. Richard Cotter, a widely-varied program for children and youths. The center is non-sectarian.

Toys available for loan to the neighborhood's youngsters are supplied by Toy Lending Centers of the State Board of Education. For careful use of toys, the children come into permanent possession of some chosen article.
