## CITY WELCOMES HOLY NAME UNION

### Msgr. Sheen To Speak On Religion In War At Auburn May 24

By Maryrose Barron

Rt. Rev. Msgr. Fulton J. Sheen of the Catholic University of America, world famed lecturer, author and teacher, will deliver an address in Auburn on Sunday, May 24, at 8:15, in East High School Auditorium on Franklin Street.

He comes to Auburn under the auspices of the St. Mary's Church Dramatic Club and his lecture subject will be "Religion in a World at War." Although Monsignor Sheen is making his first visit to the City of Auburn, he is no stranger for his voice has reached to every nook and cranny of the United States, thrilling millions of listeners bringing back into the fold many fallen away and indifferent Catholics, drawing new recruits to the faith and rousing a storm of fury and discontent in the hearts of ruthless tyrants in the world today.

#### Catholic Hour Orator

Monsignor Sheen holds the chair of Philosophy of Religion at the Catholic University of America, Washington, D. C., and annually gives a series of lectures in America over the National Catholic Radio Hour commencing his series the first Sunday after Christmas and concluding his addresses on Easter Sunday.

He has been chosen by the Paulist Fathers famed pulpit orators themselves to preach the Lenten Courses in New York City and each Sunday during Lent he delivers the sermon at the High Mass in St. Patrick's Cathedral, New York City. He also delivered a series of lectures in England for several summers until the outbreak of the War in Europe and is the one person in America who knows the Russian Constitution from beginning to end and has read between the lines of those pages.

His last appearance in the Diocese of Rochester was in October, 1941, when he was the guest speaker at the Catholic Charities Dinner in Elmira.

Monsignor Sheen is a "little mite of a thing" but his dynamic personality has changed many a so-called atheist into a real Catholic. He has been instrumental in converting a young woman to Catholicism and then rejoiced at her entry into the Benedictine convent of contemplatives, and has lived to see many prominent citizens in the United States admit their belief in God because of his radio talks over the National Hookup.

#### Letter from Listener

The National Council of Catholic Men who are the sponsors of Monsignor Sheen's radio addresses recently received a letter which said: "It is a matter of experience with me that people of my acquaintance actually 'coop' themselves up admitting no distraction when Monsignor Sheen speaks. He really gives them the bread from heaven sustaining and preserving the faith of those Catholics who are forced to live in pagan surroundings and raising many a doubt in the minds of those who have been taught to despise things Catholic."

### Normal Graduates Get Nazareth Degree.

Graduates of Nazareth Normal School who complete the fourth year of study at Nazareth will hereafter receive the degree, Bachelor of Education from Nazareth College, in accordance with the proposition following of Dr. J. H. H. Miller, Associate Commissioner in charge of Higher and Professional Education, in his communication of Mar. 28, 1942, addressed to Sister Anna de Paul, Principal of Nazareth Normal.

"I herewith advise you that on this date the New York State Department of Education has registered the combined four year curriculum to be offered at Nazareth Normal School and Nazareth College for the preparation of Sister teachers, of the elementary parochial schools leading to the degree Bachelor of Education."

By the action of the Board of Regents of Jan. 18, 1942, the graduates of the general elementary curriculum of the State's nine Normal Schools will henceforth receive baccalaureate degrees.

Sister graduates of Nazareth Normal serve not only in Rochester diocesan schools but in some diocesan schools of New York, Pennsylvania, New Jersey, Massachusetts, Rhode Island, Connecticut, Maryland, Alabama, Michigan and Puerto Rico.

Just before the final onset of the present world crisis, one of its graduates found her way into Lithuania to give to orphan children there, what America had so bountifully bestowed upon her here.

Although just a small unit, Nazareth Normal, has endeavored to render service in the home and in the mission field by making the elementary Sister teacher "better fit" for teaching and developing the child mind. This endowment Nazareth Normal brings as it enters into collaboration with the department of education of Nazareth College.

### Elmira Parish To Observe Golden Jubilee In May

St. John the Baptist Church begins its golden jubilee celebration on next Sunday and will continue the celebration of its fiftieth birthday through the month of May.

On May 1, 1892, Bishop Ryan of Buffalo, came to Elmira, and with elaborate ceremonies blessed the new church.

The parish itself dates back to 1846 when the cornerstone for a little church building was laid on Dickerson St. The church was completed in 1868 under the pastorate of Rev. Serge Schouleyeff. In 1889 the church was leveled to the ground by fire and after services were held for some time in the school-house on Benjamin Street, new property was bought on the corner of Lake and Second Streets. The corner stone for the new church was laid in 1891, the Rev. A. Gisenhoff then being pastor.

#### Fr. Stemmler Named

In 1903 the Rev. John B. Stemmler was appointed pastor and he has served in this capacity since. During the pastorate of Father Stemmler extensive improvements were made in the church, these shortly after his arrival. Later the present rectory was purchased. In 1937 the interior of the church was entirely remodeled and redecorated. Today the church stands as one of the most beautiful churches in the Southern Tier.

The parish boasts of the oldest Catholic organization in Elmira, the St. John's Benevolent Association. Also active in the church are the Sodality, the Altar Society, the Holy Name Society and Boy and Girl Scout troops.

The golden jubilee will not be marked by a formal ceremony due to the illness of Father Stemmler. However, the Rev. Raymond G. Heisel, assistant pastor, has arranged to mark the occasion by fittingly decorating the church with gold hangings, and rich floral displays on the altars. Jubilee sermons will be preached on the Sundays of May and on May 24 a velle-

lence, "Fifty Years for God and Country" will be distributed.

The book will contain pictures and articles illustrating the history of the parish. Content matter is now being compiled by Father Heisel.
