## HOLY NAME GROUPS ASKED TO HOLD TRIDUUMS FOR JUBILEE OF HOLY FATHER

NEW YORK—National Headquarters of the Holy Name Society here has urged Spiritual Directors of parish Holy Name Societies throughout the country to arrange tridiums under the society's auspices in commemoration of the Silver Episcopal Jubilee of His Holiness Pope Pius XII.

In a letter to the Spiritual Directors, the Rev. Harry C. Graham O.P., National Director of Holy Name Societies, suggests that the Triduum begin on Sunday, May 10, regular monthly Communion Sunday of the Society, and end on the following Wednesday, with as

many persons as possible in the parish receiving Holy Communion on the final day. Other suggestions made by Father Graham include a special brief sermon on the Life of Pope Pius XII each day and the

assistance at Mass and the reception of Holy Communion each morning for the intention of the Holy Father.

**Crucifix and Candlesticks**

On the Altar where Mass is offered must be a Crucifix and Two Candlesticks. We are in need of many sets. You can give a set for an offering of Seventeen Dollars.

### TACKLING A TASK

One of the most difficult mission fields we have is the mission of Marmaria in Syria. It is under the care of the zealous Fathers of the Congregation of St. Paul. They labor amid dire poverty. They are in desperate need and want.

Father Anthony, local superior writes: "To keep our mission open, I had to sell a sewing machine the Sisters used to mend and make things, and our cow. Food for these people was a necessity. I had no other choice, and now depend upon your benevolent Asspiration for help.

Just now, we are confronted with a task that seems impossible to solve. But we shall tackle it resolutely. With full confidence in God's Providence, it will be solved."

We ask every reader to send a donation to relieve the temporary impoverishment of the souls committed to the care of the Fathers of St. Paul. It is doubly hard to do missionary work when the people are in need of the essentials of life. Your contribution of One, Two or Five Dollars will be a great help. Send a donation to-day.

### ALTAR LINENS

Clean, white linen cloths must cover the table of the Altar where Mass is offered. They must be replaced when worn or torn. Five Dollars will purchase sufficient linen for a set of Altar Cloths. Our missionary sisters do the cutting and sewing.

### THE HAPPY DAY

For the First Communicants of our mission, the happy day is fast approaching. An important thing is First Communion suits and dresses. It costs Three Dollars to outfit a poor child. Will you give that gift to a poor boy or girl.

### IN SYMPATHY

Our Spiritual Bouquet Cards will convey your sympathy to the family of a deceased relative or friend if states you have arranged with the missionaries to offer Mass for the deceased.

In addition to the offering for Mass or Masses, we ask for Ten Cents to cover cost of engraving and mailing.

### ASCENSION OF OUR LORD

Thursday will be the Feast of the Ascension of Our Lord into heaven. To reach heaven is our common objective. Our Lord before He ascended to heaven founded the Church to guide and help us. To establish the Church in mission fields we ask donations to erect chapels. A chapel can be built for Five Hundred Dollars. Your gift will help to bring God's Church to poor people in distant lands, so they also can be guided and aided to reach heaven—God's eternal home of peace and happiness.

### FOR THE FAMILY

You can enroll your family to our Association for an offering of Five Dollars. Your family, deceased as well as living members, will share in the Masses and merits of our missionary priests and sisters. By family, we mean, father, mother, sister and brothers, or husband, wife and children.

### GOD'S PROTECTION

Many people write us to have Mass offered for a young man in military service, that he will have God's protection. We commend this intention to you for a relative or friend in the service of our country.

### MEMORIAL

In memory of a deceased person, we suggest you give a poor mission chapel a Ciborium. That is the vessel the priest uses when he distributes Holy Communion and is reserved in the Tabernacle. A suitable one can be purchased in the Near East for Ten Dollars.

### STRINGLESS GIFTS

Our Stringless Gift Fund takes care of repairs and odd purchases that must be made where there is a mission church and school. Two Dollars will help. Can you spare Two Dollars for the missions?

### AN INVITATION

We invite you to join our Association and help win back to the unity of the Church the 1,700,000 Christians in the Near East. Dues are but One Dollar a year. Your membership entitles you to share in the rich spiritual benefits granted to our members.

*After Graduation Then What?*

A writer of our day has said:  
 "I tremble at the thought that the whole life of man hangs upon two or three years and days, spoken at an age ranging between sixteen and twenty."

Young man or young woman, perhaps upon your year or day depends the salvation of countless souls.

Christ said:  
 "The harvest indeed is great but the laborers are few."

We need Priests and Sisters for the mission fields.

If you hear the call of Christ today to leave all things and follow Him, do not delay—thousands of men, women and little children are awaiting you across the seas to bring Christ to them and the "glad tidings" of Christ's Gospel.
