CAMPAIGN RECEIVED

Our luncheon at the Seneca on Saturday last was graced by the presence of Mrs. Lee Kenny, National Chairman of the N. C. C. W. Committee cooperating with National Catholic Charities.

Mrs. Kenny is a graduate of the National Catholic School of Social Service and was later a member of the faculty for several years.

The occasion of the luncheon was for the formal closing of our 1942 Sustaining Membership Campaign. Many reported pledges still outstanding and took cards for additional prospects.

Mrs. M. H. Keogh, Rochester Diocesan President, carried off the honors by capturing the three prizes offered: to the Promoter reporting the largest number of paid pledges, the greatest amount in paid pledges, and the Committee-woman reporting the greatest amount of money at the close of the campaign.

Other Committeewomen with outstanding records were Mrs. Alexander E. Hone and Mrs. Harvey P. Rockwell.

Promoters exceeding their quota were: Mrs. Nora Schaft, Mrs. Agnes Roche, Mrs. Burt T. Caley, Mrs. A. J. Heinale, Miss Katharine Weisenborn, Mrs. Louis A. Langlois, Mrs. Peter J. Carlin, Miss Mary Braun, Miss Alice Kirk, Mrs. Jas. A. Huether and Mrs. Barto Stallrecht.

Our executive secretary, Mrs. Agnes Bothwick, will receive returns during our regular office hours, 9:30 to 1:00, Monday through Friday.

CLUB'S WAR ACTIVITIES

We give here the report received from the Catholic Women's Club of Rochester on war activities of the Club:

The sewing and knitting group under the leadership of Mrs. Edward L. Zimmer sew every Thursday at the clubhouse and have completed over 600 garments. At intervals when materials were not available, this group collected material and made it up into warm patchwork quilts. The organization of this group was directed by Mrs. Chas. H. Stearns, president of the local Needlework Guild and a member of the Club.

The Knitson Group under the leadership of Miss Katherine Weisenborn have been sewing for the Red Cross for four years, and was one of the earliest groups working for the Red Cross in the present world crisis. They have completed thousands of garments. A layette made by this group was chosen for the exhibit at the National Red Cross Headquarters in Washington. Mrs. Minnie C. Kelley, matron at the clubhouse and a member of this group, has made 40 dresses, 30 skirts and 100 diapers, and is now working on layettes.

A newly formed group of business women members have already made 30 sets of anklets and wristlets, 25 sweaters, 12 beanie caps, 2 pair of mittens, five pair socks and 30 diapers.

each Wednesday evening. Following the completion of this training, they will continue in an advanced course.

War savings stamps are being sold at the clubhouse. Large numbers of members have agreed to make regular purchases from the club. The Club has purchased a War Savings Bond.

Our former president, Mrs. Robert C. Hartman, was largely responsible for the plan worked out in Rochester for the enrollment of volunteers for the Women's Defense, and large numbers of our members served during the three weeks of the enrollment of Rochester women for volunteer defense work. Many of these same members are continuing their assistance in classifying volunteers for all phases of war training, and for blood donors.
