"St. Francis de Sales Rosary Society helped make up a purse of \$460.00 for Rev. J. Emmett Murphy, former Assistant Pastor, who recently left for military service.

"Besides sending two large boxes filled with Rosaries and Medals, we have also delivered to the Chaplain's Aid Association many Altar Linens made under the supervision of Mrs. J. W. White.

"Our members made and presented a Mass Kit to Father Murphy.

"To finance their present project of helping support St. Stephen's Boys' the Parent-Teacher Association have planned rummage sales, baked good sales and parties to be held at the members homes.

"Members of St. Stephen's Rosary Society are aiding the Sisters of St. Joseph by mending old and making new Surplices and Altar Linens and other works of charity which they are called on to do.

"Our Book Club of 25 members subscribes 25 interesting and timely books which, after reading, are distributed to the choice of the individual member, usually to De Sales High School Library.

"Recently two new Books and some Magazines were sent to Fort Niagara.

Mrs. Chas. H. Baker has reached her quota as a Committeewoman in the Sustaining Membership Drive, and Miss Betty Whalen has reached her quota as a Promoter. Who will be next?

The regular meeting of Rochester Deanery Council will be held at Columbus Civic Centre, in Room 511, Friday evening, May 22, at 8:15 P. M.

Mrs. M. H. Keogh and Miss Cecillia Yavman will report on the National Convention of the N. C. C. W. held at Hollywood Beach in April.

The sixth annual Institute on Industry will be held at the National Catholic School of Social Service in Washington, June 21-27, inc.

The Institute, as in former years, will be conducted in cooperation with the Social Action Department. It is planned this year to extend the work to include a special course for the National Council of Catholic Women Industrial Committee chairmen and other women of the Council who are inter.

The two courses will run parallel to each other and will be planned with the needs of each group in mind.

Joint meetings of the two groups will provide additional interest.

We have need now to be ever watchful and interested in our millions of women who are going into the defense industries to see that they are protected from economic and spiritual hazards which even in peace time our young women face away from home.
