LADIES OF CHARITY, NOTED SALVADOREAN SOCIAL WORK GROUP, NOTES JUBILEE

SAN SALVADOR. The organization Ladies of Charity of El Salvador has just celebrated its golden jubilee with a Solemn Mass of thanksgiving in the Church of the Calvary.

The society established a lazaretto, an insane asylum for women and a school for underprivileged girls very soon after its beginning in 1892. Before long it assumed responsibility for the women's prison and continued this important work until the arrival of Good Shepherd Sisters from the United States. It founded the first nursery center in El Salvador, and a dispensary which, after years of valuable service, has been modernized and a clinic added. The Casa de San Vicente shelters 140 aged women and in the neighboring school, conducted by the Daughters of Charity, more than 400 girls are educated through the good offices of the Ladies of Charity. In a building provided by the Government and called the House of the Miraculous Medal 50 of the poor are lodged and 200 others are fed.

In addition to these institutions in the Capital, the society has 15 other houses in different sections of the country. On special occasions such as Christmas and the Feast of St Vincent de Paul and of the Miraculous Medal — food, clothing and toys are distributed, and special religious services are conducted for young and old charges of the Ladies of Charity.

FUND SHORTAGE THREATENS CLOSURE OF MARYKNOLLERS SCHOOLS IN SOUTH CHINA

CHUNGKING, China — For the first time since the beginning of their work in South China, there is danger that the Maryknoll missioners in Wuchow may be forced to close their catechical and middle schools, at least temporarily, because of the present shortage of funds. In this case children would be sent to their homes or other places of residence where it would be easier to supply food for them in more widely diffused areas.

It is reported also that many of the religious communities are already suffering from lack of materials since both the native and many of the foreign communities supported themselves by means of weaving and other handiwork. Thus their only lucrative occupations are now brought to a standstill.

The generosity of the native Christians has been of great help to the missioners. Perhaps never before have they been asked to contribute so much to the support of the missions and they have responded readily and to the best of their ability.
