## Blessed Sacrament GRADUATION ADVANCED

The exercises of graduation for the pupils of the Eighth Grade of our school have been set for Thursday evening, June 12. Ordinarily, graduation is on Friday, but because of the parade in connection with war week, it has been moved ahead. A short program of hymns and prayers, concluding with Benediction of the Blessed Sacrament, will be held in Church beginning at 7:45. The graduates will then march to the School Auditorium where they will receive their diplomas and hear an address by Rev. John Whalen, a former graduate of Blessed Sacrament.

On Sunday next, June 14, the boys and girls of the graduating class will gather together to receive Holy Communion at the 8 o'clock Mass.

**HOLY NAME MEETING**  
The final meeting of the Holy Name Society until next fall will take place next Monday evening in the School Auditorium at 8 o'clock. Election of officers for the coming year will be held at this meeting, and all members are urged to attend.

The regular monthly Communion Sunday for the Holy Name men is next Sunday, June 14. Those who can, receive with the Society at the 7 o'clock Mass.

Last Monday marked the end of the classes in religious instruction for pupils attending public grammar school. They will be resumed next fall, following the summer vacation.

A Tridium in preparation for the feast of the Sacred Heart was held on Tuesday, Wednesday and Thursday evenings of this week. Tomorrow, Friday, on the Feast of the Sacred Heart, the Masses will be at 6, 7 and 8 o'clock. Devotions in the evening at 7:45 will bring the feast to a fitting close.

Registration of pupils for kindergarten and first grade next year continued this past week. Whether or not a kindergarten will be opened will depend largely on the number of boys and girls planning to attend.

## ENGLISH ALLOWED GASOLINE FOR CHURCH ATTENDANCE

LONDON.—An issue of gasoline may be granted for church attendance it was stated in the House of Commons by the secretary of the petroleum department. In answering a question on the point he made it clear that people should walk to church in normal circumstances, but discretion would be allowed, he said, in the cases of the aged and the infirm.

## CANADIAN AMERICAN GROUP BUYS \$1,000 WAR BONDS

MANCHESTER, N. H.—The Association Canada American, an organization which operates in the United States and Canada, has purchased \$1,000 worth of Series G, war bonds, according to Knute Lemstra, treasurer.

Last year the organization purchased \$16,000 worth of war bonds.

### COURSES RESUMED

Buena Aires.—The Archdiocesan Direction of Catechetical Seminaries has resumed its courses with 15 centers for the preparation of catechists and teachers of religion, and three new schools for post-graduate work.

## Why Does God Allow War?

1. Because men refuse to acknowledge their duty to the God Who made them.
2. Because men do not pray and thereby show their dependence on God.
3. Because people put everything else before the saving of souls.
4. Because men violate God's law in serious matters and thus deny that it is violated.
5. Because youth is robbed of a knowledge and love of God in education, the Godless education of today.
6. Because industry in every form is fostered and encouraged.
7. Because marriage laws of God

are treated lightly and violated frequently.

8. Because the principles of justice and charity, among nations and nations are violated.
9. Because men have created false gods to be adored.
10. Because men use God's gifts and talents against God Himself.
