

Girls Awarded Emblems At Camp Villa Maria

By Mary E. FitzGerald

Sunny skies stretching to the horizon above the beauty of green pines, marked the closing day at Camp Villa Maria on Harris Hill, Early Monday morning, one hundred and eight girls campers, reluctantly said their adieux and "thank you" after a happy week at Chemung County's first Catholic sponsored camp.

Enthusiastic parents who came for Visiting Hours on Sunday returned home without their daughters, who begged to remain until Camp closed the following morning. Sunday night was marked by a closing camp fire, featuring several original camp songs written by the different groups. Two short plays given on Saturday night by the Junior and Senior groups portrayed surprising talent and the splendid training given in one short week by Misses Ellen Maxley and Ellen McTiernan, directors of dramas.

At the Council of Awards on Sunday morning recognition was given to campers who had qualified for camp chevrons or emblems. Those who met the requirements for an orange chevron were Mary E. Claire, Rosa Marie Cluttliff, Mary Joan Casey, Theresa Cavanaugh, Rita Dancy, Eileen Gordon, Mary Rita Hourigan, Rose Alice Frawley, Rae Laydon, Mildred Levanduski, Gloria List, Ann Lagonegro, Maureen Maloney, Rose Alice McInerney, Jacqueline McMill, Rita Malone, Corinne O'Heron, Leah Pottinger, Ann Marie Quinn, Theresa Ryan, Lois Riley, Dorothy Serosky, Joan Eileen Schaeffer, Gertrude Smykowsk, Joanne Tormey, Mary Rose Turner, Virginia Callahan, and Ann Esley.

Ann Dively, Lenora Ford, Betty FitzGerald, Theresa Gourley, Catherine Lagonegro, Joan Lacey, Eleanor Labush, Marguerite Liberatore, Eileen Mulcahy, Ann Patterson, Mary Ellen Panta, Mary Joan Zife, Mary Catherine Roagan, Helene Sayles, Helene Shortleaves, Etha Turner, Mary Lou Tunney, Betty Tota, Rose Mary Tierney, Lois Ann Williams and Gloria Van Kuren.

A purple chevron was given to the following campers who had to receive an orange chevron in order to qualify for the purple — Virginia Callahan, Ann Dooly, Ann Dively, Lenora Ford, Betty FitzGerald, Theresa Gourley, Catherine Lagonegro, Eleanor Labush, Marguerite Liberatore, Eileen Mulcahy, Ann Patterson, Mary Ellen Panta, Mary Joan Kiffe, Mary Catherine Roagan, Helene Sayles, Helene Shortleaves, Etha Turner, Mary Lou Tunney, Betty Tota, Rose Mary Tierney, Lois Ann Williams and Gloria Van Kuren.

"All around good campers" who had received both the orange and purple chevrons qualified for the highest honor of the camp, the

Camp Villa Maria emblem. These names were proposed by the unit leader and voted upon by the entire camp staff at a meeting of the counselors on Saturday evening. This emblem went to Virginia Callahan, Ann Dooly, Ann Dively, Betty FitzGerald, Catherine Lagonegro, Eleanor Labush, Marguerite Liberatore, Eileen Mulcahy, Mary Ellen Panta, Ann Patterson, Mary C. Roagan, Elizabeth Tota, Etha Turner, Rose Mary Tierney, Lois Ann Williams and Gloria Van Kuren.

Philomena Lucy, as the most outstanding camper, was given a status of the Infant of Prague. Miss Kane's staff included Miss Florence M. Stapleton, Assistant Director and Nurse; Misses Maxley and McTiernan, Dramatists; Mrs. Nicholas Collette, Nature; Mrs. John B. Ronan, Crafts; Miss Dorothy Martin, Games and Sports; Mrs. Daniel E. Sullivan, Swimming; Miss Helen M. Rohol, Office and Canteen.

These directors were assisted by Senior Counselors, Misses Alice Oriemaman, Rita MacNamara and Veda Spohn and Junior Counselors Patricia Maloney, Josephine Kennedy, Theresa Gordon, and Betty Batterberry. Miss Ruth Chamberlain, Dietitian and Mrs. Beacie Dove, Chef, planned the menus which resulted in excellent nourishing meals.

The first Catholic sponsored Camp in Chemung County promises to be a fixed institution in the future. The thoughtful planning of a generous staff resulted in a routine, which included more than a stereotyped health program. The entire atmosphere of the camp and the attitude of parents, counselors, and campers was an indication that Camp Villa Maria met and passed all ordinary and usual camp standards. Placed under the protection of our Blessed Lady, whose statue graced the stone mantle above the temporary altar, where Mass was offered on Sunday morning, Camp Villa Maria carried on and came to a successful closing for the season of 1942.

The members of the staff and the sponsoring organizations, the Catholic Charities, the Catholic Youth Organization and the Ladies of Charity extend their sincere appreciation to all those who contributed to the success of this project. There has been and will continue to be a generous share in the education of our Catholic youth according to the teachings of Holy Mother Church, who is as always mindful of the welfare of her children.

Call Women To Volunteer For Home Front War Duties

According To The Doctor

EARLY SIGNS

What are the early signs of tuberculosis? That is a popular question that would draw an entirely different reply from the physician than it would from the average layman, says the Wisconsin Anti-Tuberculosis Association. In all probability the physician would first ask you to restate the question. Do you mean the signs of early tuberculosis? or the early signs of advanced tuberculosis? Paul de Kruif, noted writer on scientific subjects, aptly framed the reply in the following words: "Your tuberculosis is no longer early when you are already coughing, feverish, losing weight, sweating nights or spitting blood. It's early when you have no symptoms, but when the X-ray's simple eye can detect its devilry in your RINGS."

There is a nutshell in the entire story of the only way to combat the tubercle bacillus successfully. As De Kruif indicates, the layman's interpretation of "early signs" is really a description of advanced tuberculosis.

Everyone of us should look for the true "early signs." The first way to do this is by having a tuberculin skin test. The skin test will never do you any harm and at the worst will not even cause as much discomfort as a mild reaction to small vaccination. It will, however, tell whether you have been in close contact with tuberculosis. Forty-eight hours after the injection the physician will read the result and tell you if it is positive or negative.

If it is positive lose no time in having a chest X-ray. This will reveal if you have active tuberculosis. If the skin test is negative, have it repeated at the suggestion of the physician. Another negative does not mean that you should forget tuberculosis in relation to yourself for evermore—have skin tests annually.
