

# ST. ANDREW'S PARISH

## DWYER-WALSH

Miss Agnes Walsh, daughter of Mr. and Mrs. Andrew Walsh of Turpin Street, became the bride of Lieut. Louis Dwyer, son of Mr. and Mrs. Edward Dwyer of Cay St. in a very pretty mid-summer ceremony in St. Andrew's Church, on Tuesday morning, July 21, at 10 o'clock.

Rev. George W. Eckl, pastor of St. Andrew's performed the ceremony. Present in the sanctuary were Rev. Frank Kuehhammer, Rev. William Merchant and Rev. Raymond Wuest.

Maid of honor was Miss Agnes Schlueter and James Hall was best man. Ushers were Joseph Carr and James Walsh.

After a short wedding trip, Lieut.

and Mrs. Walsh will reside in Seattle, Washington.

## LAWN FETE MEETING

The committee and workers for the Annual Lawn Fete will meet on Tuesday evening, July 28, at 9 o'clock. The festival, the slogan of which is "Victory," will be held on Friday and Saturday, July 31 and Aug. 1.

Members of the parish are invited to bring their friends and thus assure "Victory" and "Success" for the affair.

## According To The Doctor

We seldom hear of a child dying of tuberculosis, but that is no criterion as to the ease with which he may become infected, says the Wisconsin Anti-Tuberculosis Association. Tuberculosis behaves like two separate diseases. The first time the germ gets into the body, usually from a person with an active case, the infection frequently runs a fairly harmless course. The child may never be conscious of having any illness and apparently complete healing occurs in over 10 per cent of the cases.

That healing, however, is not as complete as it seems. Under a variety of circumstances, a breaking down of the old spot may occur and this time the second infection, the adult form, is far from harmless. This breaking down, however, cannot occur unless a person already has had the first type.

The tuberculin test will detect simply and harmlessly if the child has any infection. If the result is positive, an X-ray of the chest becomes necessary to determine the type and extent of the trouble. Children who react to the tuberculin should be given periodic X-rays, even though the first revealed no tuberculosis. Those who were negative should be given tuberculin tests with each physical examination.

In each case of reaction to tuberculin a thorough checkup is advisable to determine the cause of the infection. Sometimes it is a parent, a relative, a domestic or even a school teacher who may have been the source of the primary infection. And that same individual, if the contact is not broken, may be the cause of the second infection.

Where the second infection is attributable to a breakdown, rather than to a repeated contact with the tuberculous, we may usually look for inadequate diet or over-exertion as the mal factors. Sometimes, however, a non-tuberculous infection such as measles or severe sore throat may be the cause.

## WOMAN DEPUTY SHERIFF ENTERS CATHOLIC COLLEGE

NEW ORLEANS. — A former deputy sheriff is among the women freshmen in arts and sciences at the Loyola University of the South summer session. She is Miss Patricia Mansour whose home is in Lake Village, Ark.

As deputy No. 2, Miss Mansour's task was to collect taxes, but she was a duly sworn officer of the law in Chicout County, with badge and pistol, even if no bullets were given to her. She is not going back to "sheriffing" after she completes her work at the university, but hopes to be a secretary.

## Queen of Peace

Dear Mother let us sing thy praises,  
And weave thy crown today,  
With roses of the choicest,  
This beautiful month of May.

Entrancing are the various kinds  
Of flowers that deck the way,  
But sweeter for the beads to tell,  
'Tis the Rosary prayer we say.  
Please listen to our pleadings,  
For a world in dire distress;  
With peace, and hope, and victory  
Oh Mother dear thy children  
bless.

Plead our cause with Jesus,  
Whisper to the Babe Divine,  
Tell Him now to help His people,  
O'er the stormy surge of time.  
With Mary—Our Queen, and our  
guide  
Why should we fear as we do?  
Into the harbor of peace shall we  
glide,  
'Neath her beautiful mantle of  
blue.

—E. M. T.

## Sodalists At Daily Mass

ST. LOUIS. — Daily Mass for peace and frequent reception of Holy Communion—particularly daily—are recommended in the August work charts sent to Sodalists throughout the United States and Canada by The Queen's Work here, national Sodalist secretariat.

The intention at the general Communion Mass for established Sodalists is suggested in "For Us" and "Remember," which list all new Sodalists in 1942, the advancement of Catholic education. Other suggestions include a session in preparation for the Feast

of the Assumption of the Blessed Virgin Mary. For the preparation for appropriate birthday parties in honor of the anniversary of the Nativity of the Blessed Virgin, Sept. 8, a program of religious instruction of the Little League, centering of your children for school, interesting of youth in Catholic activities, correspondence with Sodalists in the spirit of prayer for selection and study of the New Testament.
