Pope Powerful For Peace  
Believes Mexican Prelate

MEXICO CITY—The Most Rev. Luis M. Martinez, Archbishop of Mexico and Charge d'Affaires of the Papal Delegation, delivered an address characterized by faith, counsel and

...Although the Church was es  
...tablished for the attainment of  
...eternal life," the Archbishop said,  
..."at the same time it provides for  
...the needs of temporal life and for  
...the welfare and peace of this  
...world, as though it had been ex  
...pressly destined for this terrestrial  
...purpose. History has proved the  
...truth of this statement during the  
...15 centuries that the Church has  
...been the teacher and peacemaker  
...of humanity, and has exercised her  
...beneficial and decisive influence."

...Speaking of the enthusiasm with  
...which the world is noting the sil  
...ver jubilee of the Holy Father,  
...Archbishop Martinez said:

"The figure of His Holiness Pope  
...Pius XII stands out in the tragic  
...setting of the present age.  
...Clothed with extensive culture,  
...endowed with remarkable prudence,  
...marvelous serenity, and profound  
...knowledge of the human heart, in  
...tiated into the secrets of diplomac  
...y, and an acute observer of the  
...problems of the epoch, Pius XII  
...has profound and fecund truths to  
...tell to men, and can tell them in  
...the many languages which he  
...speaks with notable perfection...  
...without passion, without personal  
...interest... His heart is the heart  
...of a father for all men. In this  
...tragic and solemn hour in history,  
...when humanity is debating in the  
...midst of the horrors of an apoc  
...lyptical catastrophe, Pius XII has  
...not lost his august serenity and  
...clear vision, nor his optimism  
...based on love and hope.

"Amid the clangor of unprece  
...dented battles, his voice tran  
...quil as truth, gentle as love, vibrant  
...and penetrating as the word of  
...God has called upon his sons to  
...pray and make sacrifices for  
...world peace; has been directed to  
...nations to remind them of the dic

Kenny for the accomplishments of  
...the conferences. He expressed his  
...gratitude to Elmira for "the oppor  
...tunity to use you as an example of  
...volunteer work nationally."

Final reports of committee work  
...were made. Miss Catherine Con  
...nelly, chairman of the Library  
...Committee described the Catholic  
...Book Shelf which is conducted by  
...the committee in the Public Li  
...brary, on the theory that "the more  
...books the Axis burns, the more we  
...should read."

Miss Newsome spoke of the vest  
...ments made by Catholic women,  
...and arrangements to have a week  
...ly Mass at the Tuberculosis San  
...atorium and the Bridgeport County  
...Farm.

Comment by Miss Yawman on  
...the day of recollection held at Sac  
...red Heart Academy in Rochester  
...was followed by brief descriptions  
...by the Misses Dineen and Fitz  
...Gerald. The latter stressed the fact  
...that of 86 girls present at the re  
...treat, 53 were from Elmira.

Mrs. Williams spoke of the study  
...club movement here.  
...In summing up, Miss Piepho  
...asked that those who attended the  
...Institute would spread the message  
...of the "Call to Service" in their  
...own parishes and community.
