The Leaders Institute scheduled at the National Catholic School of Social Service, Washington, D. C., August 30 to Sept. 3, will precede the annual board meeting of the National Directors. (CATHOLIC COURIER, Aug. 20, 1942).

It will open with spiritual exercises "begging God's blessing and guidance in the unfolding of our war-time program: to bring God back into our lives, into our homes, into our workshops, into our schools, into our clubs, into our communities, into our government.

Mrs. M. H. Keogh, National Director from the Archdiocesan Province of New York and President of our Rochester Deanery Council, N.C.W., is leaving on Friday for Washington to attend both the Leaders' Institute and the Directors Meeting following.

It is with deep regret that we chronicle the loss of our executive secretary, Mrs. Agnes Bothwick, who has left us for a full-time position. Our best wishes go with her to her new post.

The Diocesan Office will be closed through September.

### Thy Natal Day

By DOLORES HOFFMAN

O Mary on thy Natal Day the angels did rejoice  
Because You were the one, the heavenly Father's choice  
To be the Mother of His well-beloved Son  
By Thy Immaculate Purity His Heart was won.

O Dearest Mother protect and guide us here below  
Into this world of hate and greed let thy graces flow  
And on thy birthday, ask Thy Son to grant us peace again  
That in many hearts and countries He may once more Reign.

Immaculate Queen on this Thy glorious Natal day  
We beg thee let thy holy love over our hearts hold sway  
Clothe our souls with spotless Purity by thy grace  
So one day we may see thy beautiful, loving face.

The force of example is greater than the force of command.

### ON THE HOME FRONT

Striped Curtains From Odds and Ends

These curtains were made of the long pieces of good material from each side of a pair of sheets that were worn in the center. They were

died a soft cream; then wide strips of gingham and narrow ones of prepared bias trimming were pitched in place to make stripes. The chart shows the colors used and also gives the widths and spacing of stripes. In case you should want to use short lengths of goods for the foundation part hitch these together with seams on the right side then place contrasting strips over joinings. Colors used should repeat the colors in the picture, books or bric-a-brac.

NOTE: The above idea was taken from BOOK 3 of the series of 100 booklets which Mrs. Spears has prepared for readers. BOOK 3 also contains several suggestions for fixing up a kitchen; ways to remodel closets and various household conveniences.
