ELMIRA FATHER OF 9 ENLISTS AS CAPTAIN IN ARMY AIR CORPS

The spirit of unselfish sacrifice for the triumph of Christian ideals that is America's cause in the war is strikingly exemplified this week by an Elmira Catholic family Mr and Mrs. Augustin C Kilcoyne and nine children of 313 Lormore St

For Mr Kilcoyne it is the separation from his family to serve his country in the armed forces He leaves Thursday for Miami Beach, Fla to take up his duties as a captain in the U S Army Air Forces

For Mrs Kilcoyne and their children it means giving up husband and father for a time that he might contribute his skill and highly-specialized ability to the country that has meant so much to them and which now needs all the skill and experience of its sons in the war effort.

Mr Kilcoyne received his commission as a captain last Wednesday His orders take him first to the officers training school at Miami Beach for a six weeks' course After that he will be assigned to Maxwell Field, Ala as a communications officer and following that wherever the fortunes of war and the call of his country take him

Served in Army

Capt Kilcoyne has been chief of the test room of the American Telephone and Telegraph Co in Elmira for the past 14 years supervising personnel radio program service teletype, general telegraph and telephone service He has been in the employ of the A T & T for 17 years and prior to that served three years in the U S Army Signal Corps For a time he was a member of the U S Military Academy detachment at West Point under Gen Douglas MacArthur who was then superintendent of the Academy

The Elmiran has been the recipient of congratulations from countless friends who appreciate the motives prompting the step he has taken. Some persons have questioned the wisdom of his decision in view of his family responsibilities Pointing out that at his age, 40, and with the dependency of nine small children, he most likely would never be called under Selective Service, it was advanced that his duty was to remain at home with his family.

Capt. Kilcoyne has had only

Monsignor Sheen To Open Aquinas Culture Series

Twelve prominent lecturers appearing in the nine events is a departure from the eight single lectures of last year. According to the director of the series, Father Hugh Haffey, C.S.B., "the series last year necessarily carried with it much of the experimental. Established to make available to the people of Rochester the leading contributors to the thought of our day, the series was sufficiently well received to warrant its continuance. Last year's series lacked perfection. It was not expected Known failings are being remedied.

"Such a project should show growth and variety The number of events this year is increased to nine Three of the events will be joint lectur forums. Absolutely non profiting, the subscription price for the entire series remains the same $5.00 (50c tax included). This entitles the subscriber to a reserved seat at all lectures, and a copy of the lecture whenever possible."

Sees Little Progress In Catholic Film Use

LOS ANGELES.—The growth of Catholic literature and the expansion of the Catholic Press in the past twenty years are in sharp contrast to the use which American Catholics have made of the motion pictures and the radio as means of advancing the message of Christ, Daniel E. Doran president of the Catholic Film and Radio Guild, said in opening the first national meeting of the organization here this week

Mr Doran paid tribute to the "Catholic Hour" produced by the National Council of Catholic Men, the "Ave Maria Hour," produced by the Franciscan Friars of the Atonement, the "High-hway to Heaven" program conducted by Father Felix, O.S.B., and the Defenders of the Faith, and to the Morning Offering program of the Jesuit Fathers as striking contributions in the radio field.

Regarding the films, Mr Doran said that various attempts to launch Catholic film projects and resulted in poor products and financial loss.

VATICAN CITY.—The Very Rev. Ildebrando Vannucci, O.S.B., Abbot of St. Paul without the Walls, has been named Titular Bishop of Sebaste in Cilicia.
