Four to one, four new members for every worker was the goal set for campaigners of the Catholic Women's Club by His Excellency, Bishop Kearney in an inspiring message delivered at the membership campaign opening, Monday night in the Alexander St. Club house.

The uniting force presented by the Club is needed by Catholic women, the Bishop told the workers. "The works you do, His Excellency said, 'definitely represent the Catholic women of the community. These works must be perpetuated by a new and young membership in addition to the renewal

of those present members." Keeping abreast of war times the club has a well-rounded program which the campaigners are explaining to prospective members. Mrs. Ronald J. McDonald is general chairman of the campaign. Mrs. Edward L. Zimmer, president of the club, presided at the opening meeting.

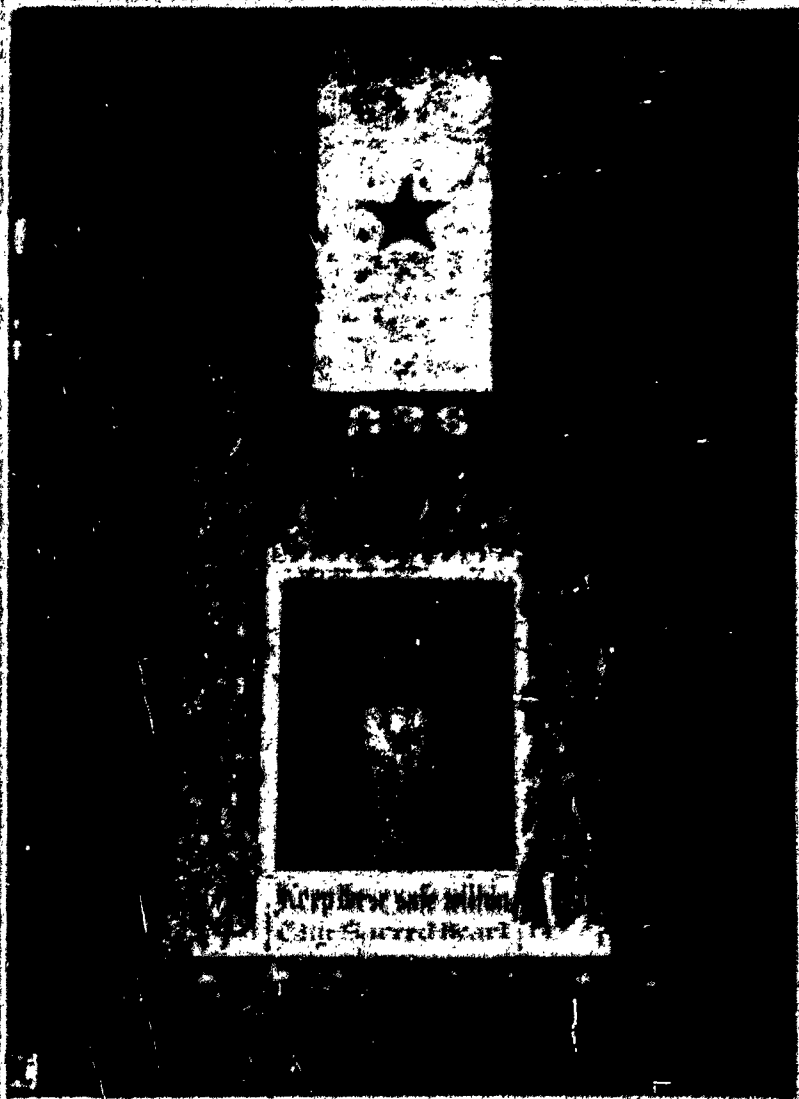

Burn & rubber will cost initially about 30 cents a pound when made out of butadiene from petroleum. Later this price may be reduced to as little as 20 cents a pound, or less, when plants are operating at maximum efficiency.

# Officials Authorize Erection of Peace Shrine in City Park

NEW ORLEANS -- The New Orleans commission council has authorized erection of a statue of the Blessed Virgin in City Park as a peace shrine and as a commemoration of the Eighth National Eucharistic Congress of 1938, many services of which were held in the City Park stadium.

The statue, to be known as "Our Lady of Peace" is to be placed under the canopy of the Eucharistic Congress altar. Plans are to obtain bids from sculptors for a life-size statue costing approximately \$2,200.

# Commemorates Parishioners in Service

Holy Child Church in Philadelphia displays from the face of its choir gallery both a service flag and a constant reminder to pray for parishioners with the military and naval forces. The numerals on the service flag are changed every month, as the number of persons joining the nation's forces increases. Each parishioner in the service is honored with an American flag fixed in the border of the picture of the Sacred Heart.

substantial percentage of Italians, Germans, and others classified as "alien enemies" may still apply for naturalization papers, and those alien enemies who are barred from immediate naturalization, can lose nothing and gain much by applying for first papers now, it is said. This County-wide naturalization program is part of a nation-wide program, sponsored by the United States Department of Justice, Immigration and Naturalization Service, re-sponsored by Work Projects Administration, New York State Department of Education and Rochester Board of Education. Verne A. Bird, Assistant Superintendent of Rochester Schools, heads the effort.
