ROSARY SOCIETY MEETS

By MARY E. CAUFIELD
 Members of the Rosary Society
 of St. Monica's held their first
 meeting of the fall season on Wed-
 nesday evening, Sept. 16, in the
 parish hall. Mrs. Ivo Hoffman,
 president of the organization, pre-
 sided at the business meeting
 which was followed by a social
 hour.

SODALITY CHOR

The Young Ladies' Sodality Choir

met for rehearsal on Thursday
 evening, September 17, in the mu-
 sic room. Anyone interested in
 joining this group is asked to con-
 tact Sister Anna Louise, or to at-
 tend the next meeting on Thurs-
 day, September 24.

The 11 o'clock Mass on Sunday
 will continue to be a Low Mass
 until further notice.

The women of the parish are in-
 vited to do Red Cross work in the
 parish hall either on Tuesday
 afternoon or on Friday evening.

ST. GEORGE'S PARISH

SODALITY NAMES SLATE

The Young Ladies' Sodality held
 their annual elections. The offi-
 cers selected to guide the members
 this year are the Misses Helen Mo-
 linis, president; Katherine Shaeck,
 vice-president; Angela Evans, sec-
 retary, and Viola Helting treasur-
 er. The best of wishes go with
 these leaders for a successful
 year.

The newest endeavor of the
 Young Ladies' Sodality is the
 grouping of the Sodality into sec-
 tions. Then each section is given
 a certain number of names and
 addresses of the men of St.
 George's Church in the service.
 These girls will see to it that these
 boys will be remembered with a
 letter regularly. At intervals, the
 names for each section are passed
 on to some other group of Sodal-
 ists for the purpose of variety.
 Great enthusiasm for this type of
 work was manifested when it was
 suggested, and then so readily
 adopted.

At this meeting also an im-
 promptu collection was taken up to
 help the Sodality's adopted mis-
 sionary, the Rev. John Rottman of

New Orleans, La. The generosity
 of the young ladies was surprising
 and more than their quota was
 tabulated.

For various undertakings and
 the like, the following Sodalists vol-
 unteered for liaison service and ac-
 cepted the post of captain: Caro-
 lyn Kovas, Isabelle Jokosa, Eliza-
 beth Apten, Theresa Apten, Julia
 Baluke, Virginia Daugilis and Anne
 Kurmila.

RELIGION CLASSES

Religious instructions for the
 public high school pupils will start
 Monday afternoon, Sept. 21. Every
 student who signed last year is
 again expected, as well as the pu-
 pils who are entering school this
 year. We urge the parents to do
 their part to see that their chil-
 dren take advantage of this oppor-
 tunity. Those pupils who have not
 signed up for the class as yet are
 asked to obtain a parent request
 blank either from the school or
 the priests.

SERVICE ROLL

A reminder to our parishioners:
 Please hand in the full name, rank
 and the branch of service of the
 men and women serving our Na-
 tion. We urge especially those
 whose sons and daughters have
 been enrolled recently.

**Cites New Restrictions
 On Overseas Air-Mail**

The War and Navy Departments exercise control over the
 transportation of air mail to overseas destinations. "Reports
 received during the past few weeks show conclusively that
 the volume of air mail now being
 received for transmission to cer-
 tain points outside the continental
 United States is greatly exceeding
 and will continue greatly to exceed
 the facilities that are or can be
 made available for that pur-
 pose," states Postmaster Donald A.
 Dalley. "Therefore, it becomes
 necessary to materially reduce the
 weight of individual pieces of air
 mail so that the transportation by
 air of the greatest possible num-
 ber of letters to those areas may
 be assured."

The existing military demands
 upon air-transportation facilities
 for strategic cargo and for person-
 nel essential to the war effort have
 made necessary the immediate
 establishment of the following or-
 der of preference in the loading of
 mail on aircraft destined for re-
 stricted areas:

1.—Official air mail.
 2.—V-mail.
 3.—To the extent space is
 available, other letter mail weigh-
 ing not in excess of 2 ounces per
 letter.
 Quantities of air mail coming
 within the third category that can
 be given air dispatch to the re-
 stricted areas cannot be accurately
 predicted and such matter may
 have to be transported by surface
 means. Military necessity may in-
 ter-require that only official air
 mail and V-mail be transported by
 air to these areas.
 Until further notice, therefore,
 only letters in their usual and or-
 dinary form weighing not in excess
 of 2 ounces and coming within the
 third category may be accepted as
 air mail for transmission to foreign
 countries and to overseas Navy
 post offices and P. O's.
 Packages of merchandise, prints,
 etc. (except official packages) will
 not be carried by air from the
 United States.
 The foregoing restrictions apply
 to air mail for all points outside
 the limits of the continental
 United States except that for the
 time being they will not apply to
 Mexico, Central America and South
 America, the West Indies, and
 other islands within the Caribbean
 area, Alaska, Canada, and New
 foundland.

for messages to persons in the
 military service outside the United
 States and also to use the lightest
 possible stationery for other over-
 seas correspondence.

**CATHOLIC GROUPS WELCOME
 AMERICANS IN AUSTRALIA**

MELBOURNE. The Catholic
 Welfare Organization in Victoria,
 South and West Australia, and the
 Catholic United Services Auxiliary
 in New South Wales and Queens-
 land have opened their "huts" to
 members of the American armed
 forces in Australia.
 There is a large hut, rest room
 and canteen conducted by the CWO
 behind the century-old Church of
 St. Francis in Melbourne. This
 church is in charge of the Fathers
 of the Blessed Sacrament from the
 American Province of the com-
 munity. Ten of the priests are
 from the United States and three
 from Canada.

 State's history that a nun had been
 honored.
