Seek Clothing For Russians

A call has come from Russia through Russian War Relief, Inc. for warm, good, used clothing, men's shoes, blankets, and bed linen. This is the first call of this kind from Russia. Up to now, shipping space has not been available. Now there is room for shipping these vital weapons for fighting the Russian winter. For the convenience of the public, the lobby of every Schine neighborhood theater has been provided with a place for depositing this clothing. It may be brought to any theater at any time of day or evening. A great response is expected from the people of Monroe County to this urgent call from the Russians. really do something for the people who are doing so much for us," said Miss Helen Rochester Rogers today. Miss Rogers is the chairman of the Activities Committee of the Rochester Chapter of Russian War Relief, Inc. Work rooms are being set up at three of the theaters where the clothing will be sorted and packed for shipment. Mrs. Lucy Baskin is in charge of activities at the Casino, Mrs. David Ruttenberg at the Riviera and Mrs. Meyer Berlin at the Moorae. Those who can should bring their bundles to one of these theaters so that will keep the transportation problem at a minimum. However, all Schine Theaters are prepared to help.
