

# Perpetual Help Parish

## ROLLER SKATING PARTY

The Sodality of Our Lady of Perpetual Help Church will hold its annual roller skating party at the Hotel Palace, 155 Chestnut St., Thursday, October 15.

Helen Langl, chairman and Dorothy Walter, co-chairman, are assisted by a capable committee consisting of Florence Eckert, Dolores Fursten, Agnes Kuchman, Rose Marie Kuchman, Agnes Meyerling, Hedwig Mueller and Jean Reinhardt.

## Record Enrollment

Enrollment — A record enrollment at Marygrove College here is announced by Sister Honora, President. The matriculation total of 954 young women is the highest in the institution's 33 years of operation.

All the sodalists are invited to this sodality function and are urged to bring their friends.

## A New Style of Rosary

Very Rev James McNamee, of Edmond, Okla., and the "Kant-Tangle" rosary which he has originated. In the form of a perfect circle with the corpus within the ring, it is claimed that this new style will not get tangled in knots, is more easy to identify the place you left off saying the rosary, is easier to ascertain the direction and can be said in the dark without losing one's place. ## St. Patrick's Autumn Fete

With the Victory theme as the keynote St. Patrick's Church will conduct its annual Autumn Festival, October 9 and 10 in the parish hall, Plymouth Avenue North at Brown Street. War Bonds will be awarded as prizes each evening. Under the direction of the Misses Helen Costello and Marcella Sigler as co-chairmen the following parishioners are assisting with the arrangements. Reception: Mesdames William Anderson, Raymond H. Brasser.

## 328 Trainees Land War Plant Jobs

In a special release from the United States Office of Education in Washington, the Vocational Education for National Defense war industries training program will be changed to the Vocational Training for War Production. Verne A. Bird, Assistant Superintendent of Schools and Director of the war training program announced.

Mr. Bird also released the monthly report which showed the largest number of placements since the program started over two years ago. 228 trainees received war plant jobs in September. The Director reported 264 women placed, compared to 64 men, a much larger than usual feminine placement percentage compared with male placements.

Vocational High School, headed by Roy F. Johnson, Principal, led all other schools with 112 placements, of which 45 were women from the parachute sewing class. Madison High, for the second straight month, ranked second with 61 placements, and Edison Tech. dropped from first place to third with approximately 60 placements.

Mr. Bird said the present VTWP registration has dropped to about 2,000. This, he said, is better than a 50 per cent drop in registration. He pointed out that Rochester war plants will need thousands of skilled women workers within the next three to six months. Plenty are available for training for these jobs, he said, in the Rochester area. Five thousand men and women are needed for immediate training, he said, the greater percentage of them being women.

The new Glider Flying and Construction School will be ready for students within a week at Jefferson High School and the Aircraft Fabrication School will open within three weeks. The reason for delay is a lack of materials. For information call or write the Board of Education, Room 306, 13 S. Fitzhugh Street, Rochester, N. Y.
