Health Idea

A doctor asked an octogenarian patient how to account for his excellent physical condition. The old guy answered, "Well when I got married 50 years ago my wife and I agreed that whenever I got mad she would shut up. Whenever she got her temper I agreed to leave the house. So for over 50 years I have enjoyed a fine outdoor life which must account for my present splendid physique."

What You Buy With WAR BONDS

Aside from the sixty-mile an hour Mosquito Torpedo Boats, the Sub Chasers are the speedsters of our Navy. Light and fast, they are the eyes of the Fleet on the water. They displace approximately 1,500 tons and cost about \$2,400,000 each.

We need many of these powerful, fast little boats to cope with the treacherous submarine type of naval warfare fostered by our enemies. Everybody can help pay for more Sub Chasers by putting at least ten percent of his income into War Bonds. Buy Bonds or Stamps every pay day. Buy them from your bank, your post office, or from your office or factory through the Payroll Savings Plan.
