

Dr. Connell Heard By Auburn K. of G.

(Continued from Page 1)

Modern Knight's Model
The modern Knight, said the speaker, should be Hauker's Knight rather than Tenyson's. His goal is the Body and Blood of the Lord...

Turning to the other aspect, Knights of the Sword, the speaker acknowledged his debt to one of the Modern World's greatest Christian gentlemen...

Recently then, the assembled body, with this distinguished layman as their guide, were led back to the Last Supper and the Savior's challenge to His Apostles...

The real Knights Drink of the cup for strength to wield the sword of the Cross for a better world than we know today. Use that sword as a means of exercising to the full degree of honor the citizens responsibility for good government...

There is your tournament your quest there is your usefulness of God and Church and Country. Christian Knights strengthened by God's Sacrament and wielding the weapon pressed into every Christian's hand...

Use the same sword the speaker concluded to go to war if you must or to fight at home with every last ounce of energy and every resource.

May we bow our heads in silent tribute to those at the front? May we murmur in our hearts an earnest prayer that God may give us soon another trial a chance to believe and live our belief...

May men build new temples and adorn them with the sword of Christ? May they build altars upon which, as on kingly thrones, will rest a cup full of God-beford which the world will bow...

Army Corp. Miss Gohern has been commissioned recently and is home on furlough. She spoke of the duties of the WAAC's and explained that the purpose of the organization was to train women to take men's places so that more men would be relieved for work at the front. She said that most of Chicago WAAC's were seen everywhere and so one paid any attention to them but east of Chicago everyone looked at them curiously.

The WAAC's arise at five each morning and have a full day of work and study including a drill period. The Corp has their own chaplain and Mass is celebrated three times each week at 6:00 o'clock in the evening. Life is thoroughly enjoyable and exciting, Miss Gohern said. The Rosary members enjoyed the talk for this was their first opportunity to hear and see a member of the WAAC's.

THANKSGIVING

The great traditional American holiday Thanksgiving, will be celebrated next Thursday amid a world of chaos and suffering. It is a far cry from the First Thanksgiving in gratitude to God for a fruitful harvest during the summer and fall of 1621. History tells us that America was founded so that the inhabitants might practice their religion as they saw fit and the Declaration of Independence has guaranteed freedom of religion to the people of America.

Yet, with all these privileges we Americans have forgotten to thank God. In fact, some of us have forgotten that there is a God. We are like the story in the Gospel of St. Luke. Our Lord cured ten lepers and one of them when he saw that he was made clean went back with a loud voice glorifying God. And he fell on his face before his feet giving thanks. And Jesus answering said: Were not ten made clean? and where are the nine? There is no one found to return and give glory to God but the stranger. We never think of God until we need Him and once more in the Year 1942 we are reminded that we are not sufficient unto ourselves for we realize that there is a Supreme Power and that homage must be paid to Him. In the past twenty-four years, we have created a world of our own without God and now we are looking to Him for guidance despite the fact that we forgot to say "Thank You" for all the graces and favors which Our Lord has bestowed upon us in spite of our neglect of Him.

President Roosevelt has set aside two days for prayer. He has proclaimed Thanksgiving and New Years as days of prayer asking that these two days be observed in prayer publicly and privately.

Bowling

Holy Family Five High

AUBURN. Holy Family Team won high score in the Catholic Church Bowling League on Monday evening with a total of 2545 points for three games. Bill Derapney won high individual score with 502 points. Backman was second with 431. Charles "Pete" Cora was third with 311 points. Etance was fourth with 285 points. Michalowski had a total of 523 points. DeSocio, 463 points and Tarby 522 points.

In the Catholic League at the Ukrainian National Club, Joe Androsko was on top with a total of 527. Joe Emperor was second with 508 and Paul Grassy was third with a total of 485 points.

The president said in his proclamation: "It is a good thing to give thanks unto the Lord." Across the uncertain ways of space and time our hearts echo those words, for the days are with us again when at the gathering of the harvest, we solemnly express our dependence upon Almighty God. The final month of this year now spent, find our Republic and the nations joined with it waging a battle on many fronts for the preservation of liberty. In giving thanks for the greatest harvest in the history of our nation, we who plant and reap can well resolve that in the year to come we will do all in our power to pass that milestone for by our labors in the fields we can share part of the sacrifice with our brothers and sons who wear the uniform of the United States.

It is fitting that we recall now the reverent words of George Washington: "Almighty God, we make our earnest prayer that Thou wilt keep the United States in Thy holy protection, and that every American in his own way lift his voice to heaven. I recommend that all of us bear in mind this great psalm: The Lord is my shepherd I shall not want. He maketh me to lie down in green pastures, he leadeth me beside the still waters; He restoreth my soul, he leadeth me in the paths of righteousness for his name's sake. Yea though I walk through the valley of the shadow of death, I will fear no evil for Thou art with me; Thy rod and Thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies. Thou anointest my head with oil my cup runneth over. Surely goodness and mercy shall follow me all the days of my life and I will dwell in the house of the Lord for ever." Thus we hear the thoughts of our president: A High Mass of Thanksgiving will be celebrated in St. Mary's Church on Thanksgiving Day at 9:40 o'clock.
