BROTHERS FROM AUBURN FIGHTING WITH MARINES MEET IN SOLOMONS

AUBURN.—The Marling Brothers, Roland and Jimmy, sons of Mrs. Mary Marling of 17 Green Avenue, met by chance a while ago in the Solomon in the South Pacific. The two young men are popular Auburnians and joined the Marines some time ago. They are now stationed in the Pacific Area.

Roland wrote to his mother telling her of the chance meeting with his brother. The letter was dated Nov. 7 and part of it read as follows: "Well, mom, here is the surprise of the year. Yesterday, I was sitting down and partaking of some refreshments and when I turned around there was Jimmy. Boy, what a feeling. We really had a great time after that and this morning I saw him again just before he left for other assignments. However, don't worry, he is feeling fine and looks good. He introduced me to all his buddies and they are a great bunch. They all like him and are very glad to have him around because he is so much fun. Mom, it was a great thrill and I assure you it was the happiest moment I had since being in the service by seeing him. He promised to write and I will let you know when I hear from him. Well, mom, I am still the same and everything is going along as well as could be expected. I will have a lot to tell you when I return home. A merry Christmas with a very happy birthday. God bless you all and I will look forward to your next letter."

An Altar

The heart of a mission chapel is the Altar—The Mount Calvary of the Sacrifice of the Mass. It is the earthly home of Our Eucharistic King. Your gift of Fifty Dollars will build an Altar in one of our Near East Mission Chapels.

LOOKING FORWARD

Sunday, November 29th, will be the First Sunday of Advent. Advent begins the new Church year. We hope and pray that we shall accomplish, with the prayers and help of our benefactors, more for God and souls during the new Church year than we did the past year. We can look back over the last year with satisfaction and give thanks to God. He has blessed our efforts.

Next to missionary priests and sisters, the great need for mission success is a chapel. For without a chapel, little can be done. With a chapel much can be done.

When a chapel is built, the missionary has a place to gather the people. He can reserve the Blessed Sacrament. Catholics can come in numbers to hear Holy Mass, receive instructions, attend devotions. They have a place to feel proud of, and can invite their non-Catholic friends. With a chapel, the missionary priest can gather the children of the neighborhood, and the sisters have graded classes for the religious instruction of the children. With a chapel those outside the church have an opportunity to come and see the beauty of Catholic devotions and liturgy.

There are sections of our mission territory where the number of converts would be more than doubled, if we had chapels. Five Hundred Dollars will build a chapel in the Near East. The donor may select the name. The Holy Father will select the place.

If you could realize the good one chapel can do for Christ and souls, you would build one or at least donate something to build a chapel. You will ever share in the prayers of the missionary priests and people it will serve.

TEN DOLLARS

Your gift of Ten Dollars will buy a Chalice, or a Missal or a Tabernacle-Safe. Send your donation of Ten Dollars and state which one of the three suggestions you wish to buy.

BEFORE OPENING

Before we can use a new chapel for services it must be equipped with an Altar, Chalice, Missal, Altar Linens, Crucifix and two Candlesticks. All these you can give for Ninety-Two Dollars. Give that gift in memory of a deceased relative.

A PERSONAL QUESTION

Are you helping to spread God's Kingdom upon Earth? You have an obligation to do so. By joining our Association you can help. Our work is to bring back to the Church 182 Million Separated Christians of the Near East Countries. Annual Membership is One Dollar. Family Membership Five Dollars a year.

A HOMELESS CHILD

A homeless child is to be pitied. The Church shows its care for poor, parentless children by building and maintaining homes for them. Five Dollars will support one of our many orphans for a month.

ARRANGE NOW

So as not to be forgotten after their death, some people have arranged with us for the Gregorian Masses. That is, after death, Mass will be offered for their soul on thirty consecutive days. Write us and inquire about this method of assuring Gregorian Masses for your soul or one of your dear ones.

USED AT BENEDICTION

The Sacred Vessel which contains the Blessed Sacrament at Benediction is called the Monstrance. Many of our mission chapels need a monstrance. Twenty-Five Dollars will purchase one. Your gift of a monstrance will be very much appreciated.

SICK CALLS

When the priest brings Holy Communion to the sick or dying, he carries the Blessed Sacrament in a vessel called the Pyx. You can give this much-needed vessel to a missionary priest. Five Dollars will purchase one.

DID YOU REMEMBER?

During November did you request Masses to be offered for your deceased parents or friends? If not, do so now. If you did, be so good as to request Mass for the Poor Souls in Purgatory. Your Mass intentions help support our missionaries.

IN OUR LADY'S HONOR

Our Blessed Mother is very popular in the Near East. Every church and school should have her picture or statue. Five Dollars will buy a nice picture; Fifteen Dollars a large-size statue. Which one will you give?
