calling at the Rectory. The Blanket Club was completed December 6. Every member, who makes a complete payment of his club dues will receive a blanket. Dues for this last week are \$4.50.

We ask you to call for your blanket, as we are unable to deliver them. However, we shall be glad to send blankets to those members who, in particular cases, find it impossible to call for theirs.

We want to thank our Blanket Club members for their cooperation in this club. The response was more than we anticipated. Despite the fact that there were some who did not remain in the club after enrolling, nevertheless they were very few. The vast majority continued regular payments into this club. We are grateful and appreciate their help. The parish will realize a profit of nearly \$500.00.

EMBER DAYS NEXT WEEK
Wednesday, Friday and Saturday of next week are the Ember Days of the Advent Season. They are days of Fast and Abstinence. Working men and their families, however, are allowed meat on Saturday. The Advent Ember Days are special penitential days in preparation for the great feast of Christmas. When the world is torn asunder by war and strife, we should make use of these particular days of penance to prepare our hearts for this feast, which speaks of the great love of God for men. Our fasting and penance will be our individual attempt to again establish the hearts of men in the love of God.

YOUNG PEOPLE'S CLUB MEETS SUNDAY NIGHT AT 8:00 P. M. The first meeting of our newly formed young people's club will take place in our parish hall Sunday night. Reservations for this meeting have been made during the week and it is expected that about fifty young men and women will attend. Besides a discussion of the ideals and purpose of this parish club a short entertainment will be included in the program. Supper will be served at 8:00 P. M. All young men and women of post-High School age, unmarried or married are eligible for membership. Those interested in becoming members may call the rectory and leave their names and addresses.

Says Russian Spirit Indomitable

(Continued from Page 8)

The Russian Church is free even though its body may be in bondage. Russian life is reflected in the villages, in the homes; not in governmental politics and policies. Hitler has enslaved fifty thousand people, he has destroyed countless villages; but he has not destroyed the fatherland. Marxism teaches that there is no fatherland; but the Russians have realized that Russia is their home and that no matter where they are fighting, they are on their way home.

NAZIS SEIZE PROPERTY OF DUTCH CATHOLIC UNION

NEW YORK.—The Nazi Labor Front in Holland has seized the property of the Catholic Workers' Union in Utrecht, dispatched the furniture to Germany and has retained the carpets for use in Nazi buildings in the Netherlands, according to word received by the Netherlands Information Bureau here.

The confiscation of union property, the first strategy of the Hitler regime in Germany, is now the order of the day in the Netherlands.
