Rev. John S. Randall
DIRECTOR

Good morning, Boys and Girls! I was delighted with the spirit and enthusiasm with which you took up the Christmas Seal Campaign. It looks as if we are going over the top this year! We surely need every penny that we can gather to help the little children of other lands who are in great need.

You know, the proceeds from the sale of the Christmas seals goes to the support of the little orphans in mission territories who are under the care of our good Sisters and Priests.

It will please the Heart of the Christ Child to know that you are providing food and shelter for other little children who are in need, for He Himself was in need and had for shelter only the rough

walls of a cave to protect him from the cold of winter. If we did not send you enough seals to meet your needs, you have only to call us and we shall send some on to you at once.

St. Andrew's School was honored during this past week by a visit from our Bishop the Most Rev. James E. Kearney. Every year on the Feast of St. Francis Xavier, Bishop Kearney visits the school which has exhibited the greatest mission spirit and has given material support to the missions during the previous year. Each year we check back over our records of

ST. ANDREW'S PARISH

MISSION TO CLOSE

The closing of the St. Andrew's Men's Mission will be held on Sunday afternoon, Dec. 12, at 3:30 o'clock. These services have been well attended, in spite of the fact that over 300 men from St. Andrew's are now in the armed forces.

The people of the parish wish to express their thanks to Father Jarrett and Father Fitzgerald of the Paulist Fathers for their untiring efforts in conducting this very successful mission.

AUXILIARY PARTY

The Ladies' Auxiliary of the Knights of St. John will hold their Christmas Party on Tuesday evening, Dec. 15, at 8:30 o'clock in the school hall. Each member is requested to bring a 10c gift.

The following officers were installed at the last meeting: President, Lillian Hensler Bartle; Past President, Mabel McGrath; First Vice President, Florence Heinrich; Second Vice President, Eva Davis; Recording Secretary, Irene Bohrer; Financial Secretary, Martha Kessler; Treasurer, Ella Bartle; Messenger, Martha Nurr, Sentinel, Lillian Eagan; Guard, Hazel Gagner; Board of Trustees, Frances Roland, Rose DeMott and Teresa Quirk. Deputy Rose Fromm presided at the installation.

Congratulations are being extended to the new officers and the members are urged to co-operate with them and to attend all future meetings. The regular meetings are held on the second Tuesday of each month immediately following the Novena services.

HOW TO CHANGE a FUSE EASILY and QUICKLY

1—Find main switch at your meter box. Stand on dry surface and turn off electricity.

2—Remove 'blown out' fuses only by touching only its top. You can tell it by the burned spot in fuse window.

3—Replace with one of the same size which is clearly marked on fuse. Re-close main switch.

4—Always keep extra fuses on hand. They cost little. Get underwriter approved fuses from your electrical dealer.

IF A FUSE BLOWS, don't worry, and don't sit around in the dark. A fuse is a safety device to protect your wiring and appliances. If it 'blows out' it may be because of a frayed or defective, or faulty appliance. Trace the cause and disconnect the appliance.

Replacing the fuse is as simple as replacing a burned out light bulb (see pictures and captions above). Keep extra fuses on hand and be sure to have defective cord or appliance repaired before placing it back in service.
