Automobile Tickets

ST. LOUIS, Mo.—The December issue of The Queen's Work, national Sodality organ, published here, vouches for the truth of this one! A Sodality moderator was driving to a sick call when a motorcycle policeman stopped him and began writing out a speeding ticket, when he noticed the Roman collar. He listened to the priest's explanation, which veered to penurious conditions in the priest's parish and concluded with the sale of a ticket on an automobile to the policeman. The policeman not only got a ticket instead of giving one, but won the automobile!
