

Schools-At-War Scrapbook Deadline Set For February 1

Pupils' Cooperation In War Effort Grows, School Office Reports

According to a pronouncement just received from the Treasury Department, extra time is allowed for the completion of the Schools-At-War Scrapbook...

The scrapbooks furnished by the Treasury Department give each school of the country an opportunity to record their reports on stamps and their efforts to aid in other war time efforts made by the children.

Although the deadline has been postponed, early contributions sent in to the Office of the Superintendent show a very high record of stamps and bonds and an energetic spirit for all-out cooperation in war effort.

All Scrapbooks from schools in the diocese will be forwarded to the Catholic Education Office where they will be reviewed individually and judged.

The Superintendent's Office is receiving these days contributions of the children from their Christmas money for the Red Cross War Fund. Schools from Rochester and Monroe County are sending their offerings directly to the Superintendent's Office...

In addition to these activities boys and girls are busily engaged in holiday salvage projects. Boys are out on a door-to-door canvass for paint brushes 2 inches wide or over while girls are collecting old and nylon hose. The results of these campaigns are being turned in directly to the public centers designated for their collection.

Chaplain Hanna Celebrates First Midnight Mass At Army College Christmas Eve

WASHINGTON (NC)—Midnight Mass, for the first time, was celebrated early today at the historic Army War College here in the Nation's Capital by the first member of the Army Corps of Chaplains ever assigned to that military institution.

20 YEARS RECTOR Grand Rapids, Mich. The Rt. Rev. Msgr. Dennis E. Malone, Vicar General of the Diocese of Grand Rapids, who has been appointed Provisionary Apostolic only a month ago celebrated his silver anniversary as Rector of the Cathedral of St. Andrew.

A feature of the solemn service was the singing of a group of Franciscan students for the first time from the Holy Name College. The group for half an hour prior to the Mass, sang a special program, dealing with the life of St. Francis, which embraced all the familiar Catholic Christmas carols. The Mass was celebrated in one of the temporary buildings on the spacious college grounds and more than 500 officers and soldiers attended. Celebrant of the Mass was the Rev. Austin B. Hanna, who holds the rank of captain in the Army Corps of Chaplains. Father Hanna is from the Diocese of Rochester and was assigned to the Army War College post last May. The Franciscan choir also sang the Gregorian chants of the Mass. The choir was composed of Fathers Gregory Wynn, Roland Pregel, Gerard Giblin, Fabian Joyce, Daniel Barry, Stephen Reich and David Fleming.

One weekend retreat made at the Diocesan Retreat House and men become eager to make another.

Participate in Day Of Prayer in India

MADRAS, (NC) Representatives of all religious groups participated in a Day of Prayer just held here. Ceremonies in the Victoria Hall were presided over by the Governor of the Province, Sir Arthur Hope, who spoke on the necessity of prayer.

The first prayer, offered by a Hindu Swami, was followed by a hymn sung by the Catholic choir. A prayer by a representative of Islam was followed by a Hindu song. The Most Rev. Ludwig Muller, Archbishop of Madras, then offered Catholic prayers, followed by a representative of the Parsi community, who in turn was followed by Archdeacon Clarke, representing the Protestant groups. Next came representatives of the Hindu community and the Theosophists. A second hymn was then sung by the Catholic choir.

Our earthly and our heavenly life are more closely linked than we know.
