Holy Family High All Out For War Program

AUBURN.—Full cooperation is being given by the Rev. William E. Davie, principal of Holy Family High School to federal and state authorities in the war effort program.

Father Davie has not only re-organized the classes in social studies, English, Science, mathematics, and mechanical drawing, but has arranged for the introduction of many new courses for the second semester to meet the suggestions of the military programs.

Other New Classes
During the next semester special emphasis will be given to the teaching of math and physics in which all senior boys have been encouraged to participate. Juniors and seniors who will become 18 by next September are included in the pre-induction group and have already registered in one or many of the several courses in connection with the new victory program which will include the following classes:

- Fundamental principles of Radio and Morse Code, one-half unit.
- Nutrition Class, one-half unit.
- Home Nursing Class, one-half unit.
- First-aid for boys and First-aid for girls.
- Refresher Course in Fundamentals of Math for Basic Aechanical Training.
- Mechanical drawing, one unit.
- Trigonometry — according to more recent syllabus, one-half unit.
- Salesmanship, one-half unit.
- Business Management, one-half unit.
- Pre-induction class in fundamentals of machines.
- Pre-induction class in fundamentals of pre-flight training.

Although Holy Family High is a small school, its activities as part of the victory program, are many and varied. The school is justly proud of the honor roll hanging in

the corridor bearing the names of 82 alumni members now in active service.

Prayer Crusade
Each student is a member of the victory crusade of prayer and has pledged himself to receive Holy Communion each week and daily recitation of the rosary for victory.

The pupils have been most generous in buying War Stamps and Bonds which are sold twice a week by a faculty member, and have also participated in the Victory Bond drive.

All students are members of the Red Cross and many generous student contributions have been made. **Religious Articles**

In response to the request of Diocesan authorities, the students collected religious articles for those in service; scrap was also collected as a community contribution. As suggested, the making of model airplanes has been undertaken.

Both boys and girls are participating in a physical fitness educational program based upon the suggestion made by the Physical Fitness Program.

At an assembly held in the school auditorium last Tuesday, Father Davie announced that the 100 students of Holy Family High School, who had voluntarily enrolled in the Victory Corps, had met the basic requirements and were entitled to receive the insignia. William B. Haefner, Cayuga County War Bond and War Stamp Savings chairman made the presentations, following which he addressed the student body, urging the students to enter wholeheartedly into the war savings program.

Blessed Sacrament Parish

SODALITY MEETING SET

The Sodality of our Lady will hold its January meeting on next Tuesday evening at 8 o'clock in the Church hall. The night of the meetings was changed just Fall from Monday to Tuesday in order to give those who may be working on Monday evenings an opportunity to attend. Plans will be made at the January meeting for a dance to be held some time in February. Following the meeting there will be roller skating in the hall and Socialists who have skates are asked to bring them with them.

HOLY HOUR

The Thursday evening Holy Hour has been put back at the regular time, 7:45. These devotions before the Blessed Sacrament exposed on the altar are conducted each week and at the present time are being offered for the welfare of all those in military

service. Friends and relatives of those in service should take this opportunity every Thursday evening to ask God's blessing and protection for their loved ones.

RELIGION EXAMS

Examinations in religion for boys and girls of public high school who are taking religious instructions each week will take place on next Monday. Results of the test will be given to the parents so that they may know what progress is being made by their children. Parents are expected to see to it that no outside or other scholastic activity is allowed to interfere with the weekly instruction classes.

YOUTH SOCIALS

Social gatherings for young people of the parish of high school age are held every Friday evening in the Church hall. From 8:30 to 11 the hall is open for dancing, ping-pong and other forms of recreation and amusement. All Catholic boys and girls of high school age are welcome.
