

War Stamp Sale High In 3 Catholic Schools

CORNING—That the pupils in the three parochial schools respond readily to calls upon them was shown from a recent report of the sale of War Stamps during January in each of the schools, as well as a report of the March of Dimes Campaign.

St. Vincent de Paul's School, which topped the list, made a special effort during the past month and their sale of War Stamps amounted to \$236.75. They contributed \$11.87 to the March of Dimes. St. Mary's School children bought \$127 in War Stamps during January and their offering to the infantile paralysis fund was \$36. War Stamps bought by St. Patrick's students totaled \$99 and they donated \$14.25 to the March of Dimes.

Do not look forward to what might happen tomorrow; the same everlasting Father Who cares for you today will take care of you tomorrow and every day.
