

SODALTALK

To Seniors in high school history is a dreaded word. For that reason we shall state a few facts about the origin of SODALTALK.

Having attended the first Summer School of Catholic Action, the Re-heater Sodality Union saw the necessity of a column in the Catholic paper. The Rev. Robert P. Director, and Miss Helen Conway, President, approached Thomas W. O'Connor, News Editor of the CATHOLIC COURIER, and put across the idea of a Sodality column. SODALTALK was the name chosen. An agreement was made with Mr. O'Connor to run the column weekly during the Summer year—bi-weekly during the summer months. News was to include parish sodality activities, comments on persons and events, references to THE QUEEN'S WORK, Union news and Sodality Headquarters news.

With a keen desire to see the column started, Miss Mary Lowry

volunteered to be editor. Having served her term as editor, the duty was turned over to the chairman of the Sodality Committee.

The method of collecting news—Sodality news, was to have a SODALTALK reporter in every parish to turn in news each week.

The summer meeting of the Re-heater Sodality Union will be held on Monday, Feb. 22 at Corpus Christi Hall. All members of the Catholic Church are invited and urged to come. At this meeting plans will be discussed for the Day of Sodality which will be observed on Monday, Feb. 22, from 1:30 to 5:30. Rev. Benedict Kilmann will conduct this retreat at Corpus Christi Church.

Magazine, pamphlets, courses, medals, prayer books, etc., are not

to be. It is the result of the determination by the members of Sacred Heart Parish for the protection of the Masses of the Holy Mass. These Masses will never be lost. However, you may be among that poor class who are not going to waste.

Some of the best Masses of all will be at Sacred Heart Hall on Monday, Feb. 22, from 9:30 to 11:30.

This "big" event is under the chairmanship of Fr. O'Brien. Fr. O'Brien has charge of decorations and arrangements. Fr. O'Brien will have charge of checking and distributing to handling publicity for the Masses.

How is that competition coming? The one on Our Lady in March. The contest will continue.

HOLY FAMILY SCHOOL EARNS 'SCHOOL-AT-WAR FLAG'

Boys and girls of our school realize full well that, to win the war every American young and old must help. They have demonstrated their loyalty in the purchase of War Stamps and Bonds. In such great numbers that Holy Family School is the first Parochial school to receive the Schools-at-War Flag. This flag will fly below the American flag on the school flagpole. It is awarded when 50% of the student body has purchased War Stamps. It is flown the month after the 50% has been attached and may be flown as long as the 50% is retained.

Congratulations to our boys and girls for their splendid spirit of sacrifice. They feel definitely that they are helping Uncle Sam to "slay the Japs." How could they feel otherwise since they have imbibed this spirit of self-sacrifice from their Lord, and their elders who are ever ready to back their revered pastor in his every effort. Their staunch support to the church, as well as their loyalty to all activities in which the school participates, show that genuine patriotic spirit which every American has. Once more, congratulations, boys and girls. Keep up the whole-hearted spirit of cooperation with the U. S. A.
