K.-C. Dinner Feb. 22

The Knights of Columbus, Hornell Council, will observe Washington's Birthday by a dinner at the club room on Monday, Feb. 22. The dinner will also welcome new members of the K. of C. and those to be reinstated into the society.

Arrangements are in charge of a large committee, headed by Ernest Donnelly. The speaker for the dinner will be Cornelius Milk- lin from Elmira, who is well known in this section of the state as a speaker.

The dinner will close the membership drive which the Knights of Columbus have been conducting for the past few weeks. The drive has been very successful, with a substantial increase in membership gained. The organization has been endeavoring to increase its membership since so many of its members have left for service in the armed forces.

Discussion Club Plea

A request was made at all Masses last Sunday for all participants of St. Ann's to take active interest in the formation of study clubs during the Lenten season.

The club will hold their first meeting during the week of Feb. 23, and the course of study should be completed during the week before Palm Sunday.

A meeting for all study club leaders will be held in the near future.
