

Mother's Club Lists Luncheon

The Mother's Club of Nazareth Hall will hold a Desert Luncheon in the school hall on Tuesday, May 1. Luncheon will be served at 1:30 o'clock. Guest speaker for the afternoon

PARISH NEWS

Will be Miss Mary Providence, Assistant Director of Nurses at Highland Hospital. Her topic will be "Communicable Diseases and Care of the Child in the Home."

And Sister said to Mary: A sword shall pierce thy own soul also; that out of many hearts thoughts may be revealed. Luke 12:31.

Notre Dame's History

Notre Dame, Ind. — A written history of Notre Dame, the first in 80 years, has been released by the University press. Its author, the Rev. Arthur J. Hepp, C.S.C., completed the task assigned him in 14 months and his 62-page chronicle of Notre Dame's first 100 years is set on schedule.

CATHOLIC COURIER

Holy Redeemer Parish

In a drive for increased membership, which the women of the parish are now actively supporting, at the last meeting, Mrs. Barbara Smith presented a interesting mother picture.

MARY NAME SOCIETY

The men of the Holy Redeemer Mary Name Society had, in connection with their monthly meeting on Sunday, Feb. 11, a service in Church. The speaker was the Rev. Bartholomew O'Brien of St. Peter's Church. Father O'Brien delivered an inspiring message to the men of the Society who are serving in the armed forces.

MOVING SERVICES

An increase in attendance has marked the services held every Wednesday evening at 7:30 in Holy Redeemer Church. The service is in honor of St. Joseph, for the protection of the home and safety of the men in the service. Services consist of the universal beautiful novena prayer, recited by the whole congregation, a short sermon, and Benediction of the Most Blessed Sacrament.

Post-War Reconstruction Views Of Verein Studied

The resolution "Post-War Reconstruction" adopted by the national organization last August was the subject of discussion at the regular monthly meeting of the Catholic Central Verein, Rochester Branch, last Sunday afternoon. The local branch of the National Catholic Women's Union was the guest of the man's branch.

Particular stress was laid upon paragraph number one and two. Paragraph number one reads as follows:

"Men must return to God and recognize the sacredness of His immutable laws, the denial of which is responsible for present conditions. Without God there can be no lasting peace or firmly established political or social order."

It was pointed out that most of the plans for post-war reconstruction approach the subject from the materialistic viewpoint and were concerned solely with material things.

Mothers at Work

Paragraph two refers to the position that the family must hold in the social order. Those speaking on this phase of the question indicated that something must be done and done quickly in regard to the number of mothers with minor children who are going to work. Particular instances were cited which show that the situation at the present time is very serious.

Attention of the meeting was called to the article appearing in the CATHOLIC COURIER for last week in regard to Biblical Sunday. The members were urged to read carefully those articles and to obtain and read the Encyclical of Pope Leo XIII On the Christian Democracy. In view of recent discussions, it was stated, reading of this encyclical and acquainting oneself with its contents is opportun.

Election of officers for the ensuing year was held and resulted as follows: Spiritual Advisor, Very Rev. Stephen W. Aufbach, C.S.S.R.; President, William T. Fuehrer; First Vice-President, William M. Wittman; Second Vice-President, Rudolph Schwenzer; Recording

Aids Missions

Delville, Ill. — The annual report of the diocesan director of the Society for the Propagation of the Faith in this Diocese, the Rev. Frank A. Kaiser, pastor of St. Luke's Church here, shows an increase of 24 per cent in total contributions to the mission cause over collections during 1944.

A Message To Boys and Young Men

POINTING OUT THAT destruction of street lights, globes and fixtures for the first six weeks of this year has not only wasted a substantial quantity of vital materials, including tungsten, but that the cost of replacement would purchase more than eleven thousand rounds of ammunition for the 50-caliber anti-aircraft machine guns used so effectively by the Marines and the Army in the Southern Pacific war, E. H. Schubert, Superintendent of Line Operations for the Rochester Gas and Electric Company today appealed to the patriotism of all boys of this area to help stop the breakage.

"For the first six weeks of this year," said Mr. Schubert, "a total of 2,119 lights, globes and fixtures were broken. The replacement cost is about \$1,700. Many of the boys who break these lights probably do so thoughtlessly, without realizing that they are causing the expenditure of metals, manpower and money that are needed to win the war."

The Rochester War Council, through its Conservation Committee, is cooperating in the campaign to bring about a decrease in the breaking of street lights and appeals are being made through the various radio stations and the columns of the newspapers. The heavy snow of the past five or six weeks is believed to be partly responsible for the increased number of lamps that have been broken, as throwing snowballs is one of the most common methods.

"When you throw a snowball at a street light you're hitting Uncle Sam," says Mr. Schubert. "Patriotic America boys won't do it!"
