ST. GEORGE'S PARISH

SCHOOL-AT-WAR 100%

The youth of St. George's entered wholeheartedly into the War Saving Stamp Campaign. These students have shown their loyalty, love and a spirit of sacrifice for God, Country and their Flag. Indeed they are not expected to fight on the front lines, nevertheless they do their part in buying regularly War Stamps and Bonds at the school center.

Their participation has won for them the "School at War" flag, and raises them second to obtain this flag. This flag will fly below the American flag on the school flag pole.

It is reported that 90% of the student body has purchased War Stamps. It is known the month after the 90% has been obtained and may be seen as long as the 90% is retained. Each pupil from the kindergarten up including the Eighth Grade has done his and her share by covering Stamps and Bonds which gives the school a 100%.

"Onward to Victory!" Buy War Stamps and Bonds.

SODALITY TEA SPEAKER

The Young Ladies Sodality held their pre-Lenten tea party on Tuesday evening. At this gathering, the Rev. Charles V. Boyle of Immaculate Conception Church addressed them on "Reverence for Womanhood." This inspiring and informative talk presented the girls with some outstanding thoughts, as "If a woman is a lady, the man will be a gentleman." "The respect that one has for a lady depends upon the respect she has for herself." "If you teach a lady reverence and respect, you teach a family." These and many other fine expressions were impressed upon the minds and hearts of the Sodality by the successful manner of speaking by Father Boyle. The gratitude of the Sodality for Father Boyle's words was declared by Katherine Sharck, the president of St. George's Young Ladies Sodality.

"Whereas it has pleased the Almighty to remove from our midst our former beloved spiritual director, Rev. John Lieberth, be it known that by his death the organization has lost a true and faithful friend.

"Resolved that with sorrowing hearts we extend to his family sincere sympathy.

"Resolved that on Thursday, Feb. 26, at 7 o'clock at St. Joseph's Church a requiem Mass be sung for the repose of his soul.

"Be it further resolved that a copy of these resolutions be sent to the family of the deceased and recorded in the minutes of the meeting."

U.S. WAR BONDS

Nazi requisition most European farm products and foodstuffs, leaving the conquered people to starve. To fight this thievery the farmers have revived a favorite weapon of the North American Indian, the **FLAMING ARROW**.

Dutch and Belgian vigilantes creep near to storage barns at night and win their darts into them. The arrow tips have been impregnated with liquid which ignites as it drives. Scores of barns are fired each night.

If the vigilantes are caught they are shot.
