St. Bonaventure College
Speeds by Courses

ST. BONAVENTURE, N. Y. —
Students of St. Bonaventure College have been selected upon a more highly accelerated program, which will enable students to complete their semester and graduate on April 21, instead of May 21, as proposed by the original step-up educational program. The Very Rev. Thomas Fitzmaurice, O.F.M., President of the college, told the students to accomplish this purpose, classes would be devoted in length so students could cover completely their subjects and fulfill educational requirements for credits despite a reduction of 24 school days.
