Catholic schools and the devoted priests and sisters who guide them will mark a most brilliant chapter.

Father Duffy introduced other guests on the stage including the Rev. Fr. Charles J. Mahoney, Assistant Superintendent, Mr. Warren S. Parks, Deputy State Administrator, War Savings Office; Mr. Raymond V. Hall, Local Chairman of the Local War Savings Committee, Major Fred A. Tillman of the Rochester Induction Center.

Reporting on the reports given Father Duffy gave some further pertinent facts. St. Stanislaus was credited for the total record of $22,481 in stamps and bonds. St. Stephen's, Geneva, for its two-month record of $7,000, next in the school list. De Sales High, $11,210, and Nazareth Academy, for its record breaking sales of $7,628 in one week in February. The grand total of all stamps and bonds bought in the diocese by children since the beginning of the war was announced as $811,128 of which $545,000 is credited to children of the City of Rochester alone.

Prayer Front Lifted

Speaking of the prayer front established in diocesan schools, Father Duffy spoke of the daily prayers offered by the children for the 36 chaplains serving from this diocese and 10,581 men in various service of the armed forces. Rochester parishes have reported 2,776 now registered in the parish who are serving with the Army, 1,148 with the Navy, 311 with the Marines and 75 with the Coast Guard. Parishes out of the City of Rochester report 7,313 serving actively, 6,998 with the Army, 882 with the Navy, 256 with the Marines and 18 with the Coast Guard.

Pupils Pupils

Bishop Kearney the main speaker of the evening and in part:

The wonderful results of the program of war activities in the schools, he said surprise me. The spirit of the pupils and their accomplishments are the natural results of the philosophy of education of the parochial school system. Religion and morality as a part of the school course cannot help but produce good patriots. Commander Eliot put it tersely in his last letter to his son: Be a good Catholic and you cannot help but be a good American.

Bouquets Wherein

Bishop Kearney presented awards to schools recognized for the excellence of School at War scrapbooks and war records. In the elementary section, first prize was presented to St. John the Evangelist School, second prize to St. Andrew's School, and $5 in War Stamps each to Blessed Sacrament, St. Charles Borromeo and St. Michael's School, Rochester. Receiving Certificates of Merit were St. Mary's, Corning; St. Stephen's, Geneva; St. Ann's, Hornell; St. Mary's, Dansville and St. Rose's, Lima.

On the High School level, a $50 War Bond was presented to Our Lady of Mercy High School. Certificates of Award were merited by Aquinas Institute, Nazareth Academy, Holy Family High, Auburn; De Sales High, Geneva, and the Academy of the Sacred Heart.

"Victory in Action," a stirring military drill done by 50 students of Our Lady of Mercy High in Red Cross uniforms, concluded the program. The drill ended in a formation of a cross, the sides of which were flanked by 2 huge American flags, all under a living picture of Our Lady, Patroness of the United States, portrayed by Sophie Barnett. The colors were presented, and the audience joined in singing the Star-Spangled Banner.

Learn Last Cargo For Island Missions Aided U. S. In Australia

NEW YORK—The Jesuit Philippine Bureau here has just learned by letter from the Most Rev. John P. O'Hara, C.S.C., Military Delegate, what happened to the last shipment of mission supplies which was cleared a U. S. port before the outbreak of the war in December, 1941. The shipment was destined for the Philippine Missions.

The shipment, totaling 70 cartons of mission goods and valued at $1,450, was carried on the S. S. President Grant and left New York October 18, 1941. The ship, according to word received, reached Manila, but only one carton was put ashore and the other 69 eventually were landed in Sydney, Australia, in February, 1942. Bishop O'Hara received word that the greater part of the shipment was turned over to the U. S. Army forces in Australia and distributed by the office of the Chief of Chaplains of the Southwest Pacific Area to American Army Chaplains.

The Philippine Bureau received from Bishop O'Hara copies of letters regarding distribution of the mission cargo and one of these was signed by the Rev. Thomas J. Shanahan, S. J., a captain in the Army Chaplains Corps. It was known Father Shanahan was in Australia and had been made a captain by order of Gen. Douglas MacArthur, but the letters indicated he now is acting as assistant chief of chaplains of the U. S. forces in the Southwest Pacific area.

Clergy Banded As Defense Unit

SAN DIEGO—San Diego clergy are being organized, in anticipation of military attack or similar disaster, into a new civilian chaplains' corps which will function for the community under the direction of the Very Rev. Thomas J. McNamara, Chancellor of the Diocese.

They will form part of a general organization to whom the oath of allegiance will be administered and badges and badges distributed to insure a spiritual arm of defense measures that are now being installed.

Closed Retreats Held For Canadians In Britain

OTTAWA—Three-day closed retreats, which have been conducted in English and French for Canadian Catholic troops in Britain at Campion House, Osterley, Ealing, have proved popular and the Jesuits here are continuing the retreats. Canadian Chaplains writing to Colonel the Most Rev. C. L. Nelligan, Principal Chaplain of the Canadian Armed Forces, have voiced their gratification at the splendid response.

Those who employ their time badly are the first to complain of its shortness.

New York Police Club Presents Mass Kit To Maryknoll Missionary

NEW YORK—(NC)—Lewis J. Valentine, Police commissioner, on behalf of the Anchor Club of the New York Police Department, presented a Mass kit to the Rev. Thomas F. Wynne, newly-ordained Maryknoll Mission Priest, who will leave next month on a mission to Ecuador. Father Wynne is the son of the late Thomas F. Wynne, who was a deputy police inspector in the New York Department.

The kit includes a chalice, vestments, altar stone and all other things for celebrating Mass. In making presentation, Commissioner Valentine spoke of his 30 years of friendship with the priest's father. He told the club members:

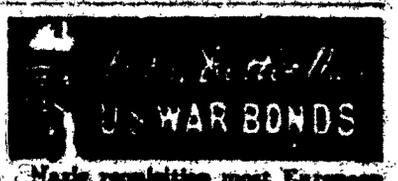
"In honoring his son, you have paid tribute to a great Catholic, a great American, who practiced charity, fraternity and patriotism."

Maryknoll Missioners Prepare Play Catalogue

MARYKNOLL, N. Y.—The Maryknoll Fathers here have prepared a play catalogue in four books, suitable for children from the 6-year age group up to high school and college students. Known as the "Maryknoll Mission Play Catalogues," the books, it was announced, can be obtained through the Maryknoll Bookshelf. Book I is for children from 6 to 8 years; Book II for those from 10 to 14 years; Book III for high school and college groups, and Book IV consists of musical selections.

Wilful Blindness

The blindness of men is the most dangerous effect of their pride; it seems to nourish and augment it; it deprives them of knowledge of remedies which can solace their miseries and can cure their faults.



Nazis requisition most European farm products and foodstuffs, leaving the conquered people to starve. To fight this thievery the farmers have revived a favorite weapon of the North American Indian, the FLAMING ARROW.

Dutch and Belgian Vigilantes creep near to storage barns at

night, and wing their darts into them. The arrow tips have been impregnated with liquid which ignites as it dries. Scores of barns are fired each night.

If the vigilantes are caught they are shot.

We in America have escaped the horrors of occupied Europe and may fight the Nazis by less dangerous methods.

The least you can do is to invest more in United States War Bonds. WSS Talk — U. S. Treasury Dept.
