## Holy Childhood Association

Rev. John S. Randall DIRECTOR

Dear Boys and Girls:

By this time you have undoubtedly seen the poster with the slogan "Buy Today the Freedom Way. Your War Stamp Will Help To Build a Mission Chapel." That is exactly what we meant. All of you are buying War Stamps to help the soldiers of the United Nations. Now you can use these same stamps to help the soldiers of God—the Missionary priests and sisters.

If, during Lent, each child will buy one War Stamp, or as many as he is able to purchase, and turn this stamp in for his Lenten offering, we will be able to build another Mission Chapel. You will then vote for the country in which the Chapel is to be erected and to whom it is to be dedicated. So far, you have built two Chapels, one in China and one in Africa.

In this way, you will be bringing us that much closer to Victory, and you will also be sacrificing for the spread of the Catholic faith in pagan lands. These soldiers of Christ, like the soldiers of the United Nations, cannot win unless we at home support them by our prayers and sacrifices.

I feel sure that you will give as much as possible to such a worthy cause.

Let's see what the Mission has to offer this week!

Here is St. Andrew's School again. They certainly do furnish us business. This week the Fifth Grade, South, has ransomed a little African girl to be named Mary Josephine. The Seventh Grade, South, want a Negro girl from America. She will be given the name Mary Annunziata at baptism. The Eighth Grade, North, have a Chinese boy, John Bernard, to their credit.

St. Alphonsus School, Auburn, surprised us with ten (10) ransoms at one time. The Eighth Grade want to adopt a Chinese and American Indian. The American Indian is to receive the name Isaac Joques and the Chinese, Mary Irene. The Fourth and Fifth Grades each want to ransom twins. The Fourth Grade like Chinese babies and the Fifth Grade prefer twins from Selma. The Seventh Grades each want a boy from Selma. Fine work, boys and girls!

Next we have a letter from Sister M. Fidelis of St. Patrick's School, Elmira, in which Sister enclosed a check of \$35 for dues. I am glad to see that you are interested in promoting the work of the Holy Childhood Association.

John Joseph is the name of the latest adoption of St. John's School, Spencerport. He is to be an Eskimo boy. The godparents are Margaret and Charles Maier. Here is the Nativity Blessed Virgin Mary School of Brookport. They enclose a check of \$5 for the adoption of a little Chinese boy to be called Joseph Patrick.

The Fifth and Sixth Grades of St. Patrick's School, Mount Morris, want to adopt a baby from Selma. I will be very happy to send the money to Selma and ask the sister in charge to have a little girl called Mary Agnes at baptism for my little friends in Mount Morris.

Good work, boys and girls. And don't forget the Mission Chapel!
