Legion Condemns Film Titled "Back To Bataan"

Another motion picture, "Back to Bataan," a glorifying of Communism and communists, was condemned as "C" by the National Legion of Decency, it is announced in the current issue of Motion Picture Daily.

The decision of the National Legion of Decency to condemn "Back to Bataan" was made on the basis of information received from Catholic bishops, priests and laymen throughout the country.

The film, purporting to be a tribute to the soldiers of the Philippines, is said to be a vehicle for the exploitation of Communism and social theories. It is the first picture to be made in the opinion of the Legion of Decency and approved by the head of the film industry, Joseph I. Breen, to show that the Communists have infiltrated Hollywood.
