PRAYER CHAIN PRAYER

The Chain Prayer is much in evidence again with many of its links being distributed throughout the city. The Chain Prayer is a curious product of ignorance,

and superstition. The Holy Name Society is offering a request and asking a favor, if you don't say it, this is pure superstition. We ask you to print in letters if it be the Holy Name Society every day, and to a prayer in all intentions and as a threat. Anyone receiving a copy of a chain prayer should destroy it.
