

# ST. GEORGE'S PARISH

## SOCIALISTS NEAR PRIEST

The Rev. Richard E. Burns, pastor of St. Andrew's Seminary, gave an inspiring and illuminating talk on the feast of the Ascension, on last Tuesday evening. His novel approach to the subject afforded the girls a first and deeper appreciation of this topic. Father Burns' presentation was well received by the Socialists, thus manifesting their appreciation of an excellent talk.

To hear Father Burns, other Socialists were invited. Socialists from the Socialists Union, St. Patrick's, St. Michael's, St. Andrew's and St. John's were present; the honors of the largest delegation go to St. Patrick's. After the talk in the auditorium, the girls gathered in the club room for refreshments and sports.

## OPA Rules On Used Refrigerators

On the heels of a new dealer regulation governing price ceilings and sale conditions of used refrigerators which is expected to reduce several thousand units held in dealers' stocks since May, 1942, OPA today announced a tightening of controls on the sale of used refrigerators by individual householders.

Effective Apr. 15, household sales will come under price ceilings for the first time. Under the old regulation, price control over used refrigerators was confined to the trade and private owners could sell these units at any price they could get. New ceilings will be the same for householders as for dealers.

This action is aimed primarily, it was said, at evasive practices

that have appeared in the trade and that have encouraged occasional household sales at exorbitant prices in areas of acute shortage. Similar action was taken last summer covering used typewriters and more recently in controlling used vacuum cleaner prices. Used washing machine prices will soon be regulated in the same manner.

Dollars and cents price control is also inaugurated on retail rentals of refrigerators. Maximum rental rates for the most popular price-classed refrigerators are fixed at \$7.00 to \$10.00 monthly with a delivery and pick-up charge of \$2.00 allowed under the regulation.
