#### OUR PRESIDENT'S MESSAGE FOR APRIL

Our Lady of Good Counsel, give the women of our beloved country the help to see the need for, and the help to practice and accomplish, a united Catholic womanhood!

Women are a power for good or evil. Will the Catholic women of these United States yield the leadership to radical groups who fail to see the end in the beginning? Will movements like Planned Parenthood and so-called Equal Rights for men and women prevail? What is our responsibility in the face of ever diminishing families and marriages merely for companionship? What is our responsibility when a proposed Amendment to the Constitution threatens to wipe out all protective laws for women and young girls? Are working mothers and immature girls to be left without the physical and moral safeguards now guaranteed in many states by protective legislation for which women fought and sacrificed for many decades?

The answer to these and the many problems which challenge us to clarify the period following this war is found only in an intelligent, thinking, articulate womanhood, and our solution is Organization—all of us united and actively participating in the National Council of Catholic Women which was set up to bring the influence of Catholic women into the social consciousness of our country. We can well ask ourselves: "Why stand we here idle all the day?" Those of us who see the vision realize that the pioneer leaders who courageously led N.C.C.W. were indeed crusaders!

Why not try during the months of April and May—both dedicated to our Blessed Mother—to increase our affiliations, and thereby our united strength. With a little effort we could, each one of us, add at least one new affiliation. There is a fertile field for volunteer activity. Now, more than ever before, it is necessary to develop local and community leadership.

Let us, too, join in a Novena or Triduum in honor of Our Lady of Good Counsel.

"More glorious Florida... Obtain for Holy Church triumph over her enemies and the extension of the Kingdom of Jesus Christ over the whole earth."

MARGARET MAGENNIS ANGELO (Mrs. R. A.) President

### ON THE HOME FRONT

A Cinderella Chair Steps Out. Here is how you can play Fairy Godmother to a kitchen chair. Pad the back as shown here, using at least three layers of cotton batting for the front of it and one for the back. Neat cut an eighteen-inch

circle of cardboard and use it for a pattern for marking the shape of the round seat on boards or plywood. Cut out the wooden seat and screw it to the chair. Save the cardboard pattern.

Cover the front of the chair back next, tuffing it with covered buttons evenly through the back with a long needle. Sew the back of the cover in place with stitches drawn under welling. Tack a strip of muslin around the seat, and sew the ruffles to it. Now, pad the round cardboard with stretch covering fabric over it; then sew it in place on the chair.

NOTE: Readers are willing to tell us that the new BOOK 2 should be called the Victory Book as it contains so many ways to make pretty things for the home that could not otherwise be had for the duration. Copies are available by mail postpaid for 10c plus 2c per copy to cover cost of mailing. Address: Mrs. Spartz, Drawer 133, Bedford Hills, New York—(C-1014).
