Dr. Cowen Spurs K. of C. Chapter War Bond Drive, Chaplains' Aid Campaign

AUBURN—Freedom of man, social legislation, angles of the war and postwar problems were touched upon by the Rev. Dr. William E. Cowen at the quarterly meeting of Central New York Chapter, Knights of Columbus, held Sunday afternoon in the Genesee Street home of Auburn Council. Knights of Columbus. The session called was one of the largest attended in several years, was presided over by Chaplain Major Michael J. Leary of Utica.

Grand Knight George D. Gilmore of Auburn Council welcomed the delegates and the invocation was pronounced by the Rev. Gregory Dugan, Catholic Chaplain at Auburn Prison. Dr. Walter D. O'Neill of Rochester gave a report on War Bonds and War Savings Stamps.

The chapter voted to cooperate in the campaign for funds to aid the Catholic chaplains in the Armed Forces of the United States, all contributions to be turned over by state officers to William Joyce D. Kearney of Rochester, who will present the funds to the Most Rev. John F. O'Hara, C.S.C., Military Delegate of the Armed Forces.

A Standing Committee for the installation of officers of the Chapter to be held at the July meeting was appointed as follows: Thomas Chisholm of Oswego, Clifford C. Curtis of Syracuse, Dennis Woods of Canajoharie and George D. Gilmore of Auburn. There was also discussion of the state convention of the order which is to be held in Albany on May 22, 23 and 24. The closing prayer was given by the Rev. Gerard L. Arnold, chaplain of Auburn Council and assistant pastor of St. Alphonsus Church. Luncheon was served in the rooms with a dinner for the officers at the Osborne Hotel.

In his talk, Dr. Cowen, quoted the Declaration of Independence, that all men are created equal and with a right to life, liberty and pursuit of happiness. He stated that "a dictatorship takes away the right of freedom of man and enforces slavery, and therefore we must win this war to retain our freedom for America is the land of the free. In fighting to win this war, we must be vigilant as to the aftermath to that we may retain freedom and that Congress must also be vigilant to this end."

Officers of the Central New York Chapter are: Chairman, Michael J. Leary of Ithaca; vice-chairman, Francis C. Cuddy of Auburn; secretary, John W. Larkin of Syracuse; treasurer, F. D. Hogan of Ithaca; chaplain, Rev. Gerard L. Arnold of Auburn; warden, Thomas D. Mullen, Jr., of Oswego Falls; inside guard, Dr. W. J. Bingham of Fulton; outside guard, George K. Townsend of Newark.

Mercy Students' Program Marks Pan-American Day

Amid bustle of wartime activities, students of Our Lady of Mercy High paused on Wednesday to celebrate Pan American Day with motion pictures, music and a Spanish scene. An Assembly program on Friday will climax the week.

To learn more about our Good Neighbors, the students witnessed the movie showing of "Orchids of Latin America," "Fiesta of Utila," and "City Beneath the Sea."

Recordings of the Mercy High Glee Club and Orchestra made for a broadcast of good will to all the South American republics, last summer, were heard. Presented by the GHHC, the program included "Voice of the Navajo" and "The Caravan."

The Spanish scene was staged under the direction of Sister M. Berla.

Feature of the week was the blessing by the Rev. Lawrence B. Casey of the statue of Blessed Martin de Porres. After the blessing the statue was placed in one of the school halls.

The week was chosen as an appropriate time to present the claims of the "Saint of Social Justice." Brother Blessed Martin de Porres was born in America and united among Americans. Brief talks describing his life and recounting a special prayer to him were distributed.

SODALTALK

WORLD SODALITY DAY

As in former years, the Rochester Sodalities will join other Sodalities in the nation to celebrate World Sodality Day. This year, rather than ask each Sodality to have an individual celebration, the Rochester Union will participate in services at St. Andrew's Church. Miss Martin Reilly, chairman, and her committee are now completing plans for this annual observance on May 9. Please follow SODALTALK for further announcements.

PATRIOTISM

Patriotism is a very difficult word to define. However, Sodalists of Holy Ghost Church, Coldwater, have certainly put forth the true meaning of the word. When the announcement was made at Union meeting that the Apostolic Committee was collecting funds for the U.S.O., representatives of Holy Ghost quickly relayed the word to their members and obtained a very acceptable gift for the men in service.

DATE FOR SODALISTS

Friday, Apr. 16, marks the feast of the Seven Sorrows of Our Lady. This feast is celebrated on the Friday after Passion Sunday, to show us how Mary suffered with Christ during His Passion and Death. Sodalists should show their devotion to Mary in a special manner on this day.

MEMORIES

Do you recall the Day of Recollection at Corpus Christi on Mar. 14? The Rev. Benedict Ehmann gave several suggestions for our spiritual life. Five minutes mental prayer each day is a very powerful aid to all. Spiritual reading is also highly recommended. The following books have proven to be the leaders: New Testament, Imitation of Christ and the Life of Christ.

Museum Marks Shoe Firm's Anniversary

With a museum display of shoes that have been in vogue since 1893 as the feature event, G. Ranco and Son, shoe firm, is observing its fiftieth anniversary in the retail shoe business.

Together with the museum footwear, which was heralded with extensive advertising in neighborhood newspapers, was shown an excellent stock of shoes for men, women and children that are up-to-the-minute in style.

Gottlieb Ranch and his son, Charles, are members of the firm, which was founded by the former in St. Paul Street in 1893. Within two weeks from its beginning the building in which it was housed was burned along with the stock of merchandise. But that did not daunt the founder. Shortly afterward he had another new store in the vicinity, but this was outgrown within a few months and another move was necessary. The present store, a modern structure, is the fifth location of the firm.

"Perhaps you will enjoy a chuckle or two at what was once 'up to the style' merchandise as the beautiful shoes we are showing today," was part of the message of the firm to its customers, who came from many sections of the city to see the old display and to buy new shoes.

AT AQUINAS INSTITUTE

Baseball's Return Hailed By Students

By ROGER THAROLD

For the first time in many years, to the great pleasure of the student body, Aquinas Institute will have a baseball team. The players who are to represent the Maroon and White on the diamond, are being chosen by tryouts on the school campus, for which all students are eligible. In order to help finance the team, a campaign is being conducted on Apr. 10, under the capable direction of Father Duggan, C.S.B.

As opposition, this team will encounter tough clubs of the public high schools, due to the helpful efforts of their officials. This is something that has not yet been accomplished, in football, and should therefore cause great enthusiasm among sport fans. It is hoped that this long sought rivalry will continue in later years.

SENIORS ON RETREAT

On next Tuesday and Wednesday, Apr. 20 and 21, the Seniors of Aquinas will have a spiritual retreat, given by the Rev. John Glavin, C.S.S., of St. Anne's Parish, Detroit, Mich. Since it is to take place during Holy Week, this long desired retreat will present a fine opportunity for these young men to prepare for Easter in the best way possible. It is the first retreat to take place at Aquinas after a lapse of many years.

The cure of disciplining is love and love is the keeping of her laws. And the keeping of her laws is the firm foundation of incorruption, and incorruption bringeth nearer to God.—Wisdom, VI, 19.
