Publish Chaplain's Digest At N. D.

NOTRE DAME, Ind. — The Chaplain's Digest, published for the Catholic chaplains of the United States armed forces, is the work of the Notre Dame students' committees and the Notre Dame Council of the K. of C. Three editions have worked on the publication.

Illness forced the Rev. John Lynch, O.S.C., to relinquish the work after the first issue. The Rev. Norman Johnson, C.S.C., editor of the next two issues, is now Chaplain Director and the issue just released for April is the work of the new editor, the Rev. Charles Sheedy, C.S.C.

The Digest is a compilation of the work of the chaplains' committees, called at Notre Dame. It is established under the patronage of the Most Rev. John F. Noll, D.D., Military Delegate.

San Diego.—With ceremonies in the cemetery of St. Joseph's Cathedral, a U. S. Treasury Department "Minute Man" flag was blessed and awarded to the students of the Cathedral Girls High School — the first school in San Diego County to be awarded the emblem of outstanding participation in the purchase of War Bonds and Stamps.

What a blank countenance would it must be for those whose calendars have no feast days!

Blessed Sacrament Parish

Fr. Fischer Preaches Easter

Rev. George F. Fischer, a member of the Holy Cross mission band of North Easton, Mass., will preach at the Masses on Easter Sunday. Father Fischer, a graduate of Blessed Sacrament School, has been conducting the services here during Holy Week. The Masses on Easter will be the same as on every Sunday: 6, 7, 8, 9, 10, 11 and 12:15. The 11 o'clock Mass will be a solemn High Mass.

NEW NOVENA BEGINS

The Novena in honor of our Lady of the Miraculous Medal will begin on Easter Monday. These services are held each Saturday afternoon at 2 o'clock and conclude with Benediction of the Blessed Sacrament. While one may begin a Novena at any time, it is suggested that everyone try to begin this new Novena with the others who are making it.

SODALITY MEETING

Our Lady's Sodality will not be meeting for the month of April on each Wednesday evening, Apr. 28. The meeting has been changed from Tuesday for the convenience of a number of the members. This is an important meeting, because plans will be made for a May day celebration, and names for officers will be made for the officers for next year.

NO INSTRUCTIONS MONDAY

Because the public schools do not reopen until next Tuesday, the regular classes in religious instruction for boys and girls of public high school will not be held next Monday. They will be resumed on May 3.

Notre Dame Scientist Receives Recognition

NOTRE DAME, Ind.—Albert F. Zahm, Notre Dame alumnus and former professor, now occupying the Guggenheim chair of Aeronautics in the Library of Congress, is given substantial recognition in a new book, "The First Century of Flight in America," just published by the Princeton Press.

Jeremiah Milbank Jr., the author, traces the early balloon flights and brings America into the early years of the establishment of successful aviation. Dr. Zahm's experiments with gliders on the Notre Dame campus are mentioned, and much significance is given to the first aeronautics congress in America, held in 1893 through the efforts of Dr. Zahm and Octave Chanute.

Plan Centenary

PORT-AU-PRINCE.—The centenary of the arrival in Haiti of the Holy Ghost Fathers will be observed in November. Dr. Edward Roy heads the committee in charge of preparations for the centennial. One feature will be an exhibition of the contribution made to Haitian religious and cultural life by the Fathers, the first of whom, Father Tisserand, reached Port-au-Prince on Aug. 17, 1843.
