Lack of Reverence Turned National Vice

Christians, Jews Lax In Duty Cause World Chaos—Msgr. Sheen

NEW YORK (NY) — The chaos of the world today is due "in great measure" to the failure of Christians and Jews to live up to the full responsibilities of their vocations, the Rt. Rev. Msgr. Fulton J. Sheen, of the Catholic University, declared here Sunday night in a radio address on the "Catholic Hour."

The title of Msgr. Sheen's address was "Jews and Christians" and was the substance in a series of seventeen discourses on the general topic, "The Crisis in Civilization."

The two greatest vices which exist in any people by God were bestowed upon the Jews and the Christians, Msgr. Sheen reminded. The Jews were chosen by God to be the people to bring the Revelation to men, and the Christians to establish the brotherhood of men under the Fatherhood of God through the merits of Christ.

Msgr. Sheen said, while a vast number are still devout, "the spiritual condition of many Jews throughout the world is sad—I say spiritual condition, for that is not more serious than their political condition." Msgr. Sheen said he had been told by "very distinguished rabbis" that "only one of ten Jews attends a synagogue, either liberal or orthodox."

The "mass desertion" of Christians from Christ is tragic and grieves the heart of all good Catholics, who, with Catholics confess Christ to be the Son of the Living God," Msgr. Sheen continued. He cited a survey made by a Northwestern University professor in and around Chicago of 109 ministers, representing 32 denominations, which revealed 42 per cent disbelieved in the inspiration of Sacred Scriptures; 41 per cent disbelieved in the necessity of Baptism; 39 per cent disbelieved in the resurrection of the body; 38 per cent denied that Christ would come again to judge the living and the dead; 37 per cent denied the redemption by Christ on the Cross; and 37 per cent denied the Divinity of Christ.
