Observing a successful year of activities, Troops 249 and 250 of Holy Apostles Church held a Court of Honor in their school hall on Wednesday evening, Apr. 22.

Kearney will be guest speaker. Estelle Doyle, Eucharistic Committee Chairman, has been chosen as Toastmistress. Evelyn Contestable, general Chairman, is now at work with her committee planning to make this banquet the best ever.

Program of the court of honor was concluded by the playing of Taps.

SODAL TALK

CROWNING OF MAY QUEEN

Miss Marion Boehly, chairman of Our Lady's Committee of the Sodality Union and Prefect of St. Michael's Sodality, crowned Our Lady as Queen of the May during services at St. Andrew's Church on Sunday, May 9. This celebration of World Sodality Day was one of many throughout the nation on that day. Preceding the coronation, representatives of each Parish Sodality formed a Living Rosary. Each member of the Living Rosary carried a vigil light which was placed in front of the Shrine of the Blessed Mother. Each Sodality Prefect carried a rose which was also presented to Our Lady at her Shrine.

Rev. Maynard Connell of St. Bernard's Seminary delivered the sermon. Following the sermon, Benediction of the Blessed Sacrament was celebrated by Rev. George W. Eckl, pastor of St. Andrew's Church.

Reports are still coming in concerning the consolation gifts for Our Lady during her Son's Passion. On Holy Thursday, during Holy Hour, Helen Schoenherr, chairman of Our Lady's Committee of Perpetual Help Sodality, presented Mary with a bouquet of

roses and a spiritual bouquet to console her in her grief.

Have you read the new pamphlet, "The Questions They Always Ask" by Rev. Daniel A. Lord, S.J. In this booklet, Father Lord treats very briefly and concisely the most common problems presented to him by modern young people. This is a treat which no Socialist should miss. Not only is this pamphlet a masterpiece for Socialists but will do much more good if spread throughout your entire parish.

Speaking of pamphlets, the U. S. C. will welcome any used pamphlets for the men in service.

Getting On In The World

JUMPING TO CONCLUSIONS

One of the most abstemious men we've ever known had one of the reddest noses that ever decorated the face of any man. People who jumped to the conclusion that his nose was so bright a hue because he was addicted to the little brown jug—well, they were no mistaken as all of us are apt to be when we jump to conclusions.

Sometimes we accuse people of being miserly. They have high salaries, don't dress extravagantly or spend money on luxuries. What do they do with their money? we ask, as if it were any business of ours. And then one day we find out that there are generous donations to the missions, a young man being helped through college or seminary, or struggling relatives aided. If such people are miserly, they are hoarding treasures no thief can steal, no rust destroy.

A man may be brusque of speech, or exceptionally reticent. It isn't genuine brusqueness in the first instance, haughtiness in the second.—In both cases it's thyrsus. The poor fellow really is all right, only self-conscious.

FRIEND OF SCIENCE

Ottawa.—The Catholic Church is a friend of true science and scientists, the Most Rev. Alexander Vachon, Archbishop of Ottawa, told an audience here. Himself a prominent scientist, Archbishop Vachon pointed out that of the great scientists a large number have been Catholics, and not one ever found that his faith interfered with or hindered his work in any way.
