IN ROSARY SALVAGE CAMPAIGN

Catholic Girl Scouts of St. Francis parish, Peckham, Oregon, were joined by non-Catholic troops in a rosary salvage campaign which they conducted for the Chaplain Aid Society of New York. Myrtle Stream (left) and Doris Ann Seymour, of Troop No. 77, hold some of the complete rosaries collected along with broken ones and strings of beads to be used in repairing them. (N.C.W.C.)

Farmers Union Reporting Exact Date Of Crucifixion Denied By Catholic Group

A release of the National Catholic Rural Life Conference, 3801 Grand Ave., Des Moines, Iowa.

The following account of a Farmers Union meeting held in Church Point, Louisiana, given the Catholic Rural Life Conference great joy. The development in that parish is due to the energy of Fathers Bienvenu and Labbe, both enthusiastic members of the N.C.R.L.C. and participants in Rural Life Schools.

The meeting was opened by the president, Mr. Martin Cormier, who then called upon Mr. E. C. Meaux, local Agricultural teacher to explain to the group present the program that had been made in the plans for the canning, dehydration and hatchery plant. His discourse brought about a great number of questions during the discussion part. All of these matters greatly interested the many men and women members who were present. Further discussions will be held at the next meeting, at which Mr. Alexis Lariviere of the Vocational Education department will be present, on the construction of the building necessary to house the equipment.

MAKE REPORTS
 "Mr. Jagnaux reported upon the recent delivery of fertilizer to the members of the Co-op and announced that the cotton seed ordered by the members would be in the next Monday.

Mr. Nargroder gave a brief report of the meeting of the State Credit Union League held in New Orleans.

"Dr. Heflin then addressed the crowd on the work that he is about to do for the farmers in testing the older cows for Bangs disease and in vaccinating the calves from five to eight months old for the same disease. Chutes for the cattle of the various areas will be constructed during this week.

"The program for the tests for Bangs disease and the vaccination of the young calves was extended to every farmer in the community, whether a member of the Farmers Union or not. Father Labbe said: 'We deem it imperative for the farmers to have clean cattle. Whether now is a member of the Farmers Union or not, we want them to take advantage of this occasion afforded them to cooperate for their own good. We urge every farmer, every man, who has a cow or calf, to take this opportunity afforded by the government to test his cattle.'

CREDIT UNION
 "Mr. Cormier called upon the members to place their money in the Credit Union with the local Secretary, Mr. Jean Zarenow, who took in over three hundred dollars for the organization.
 "Mr. Stephen Bellard then enlisted new members in the Farmers Union and distributed the

WASHINGTON.—(NC) —A report recently circulated by a secular news agency to the effect that the Catholic Biblical Association has determined April 7, in the year 36 A. D., was the exact date of the Crucifixion and Death of Our Lord has been denied here by the Rev. Dr. Joseph L. Lily, C.M., secretary of the association. The erroneous report has been published in a number of newspapers. It was stated, Father Lily announced the association has not arrived at any such determination and did not give out any such report.

He added he did not know the source of the erroneous information.

He further said: "It is impossible in the light of present evidence to determine with absolute finality the exact year of the Crucifixion. But that is really a matter of secondary importance; what really counts is that Jesus Christ lived on earth and claimed to be God—a claim which He satisfactorily substantiated—and that He died for the redemption of all mankind. The exact day and year of His death is of relatively little importance."

Bishop Donahue Notes 25th Anniversary Of Ordination

NEW YORK.—At his own request, there were no formal ceremonies on May 25 marking the twenty-fifth anniversary of the ordination of the Most Rev. Stephen J. Donahue, Auxiliary Bishop of New York.

Bishop Donahue was ordained in Rome on May 25, 1918. On May 25 he celebrated Mass for the school children of his parish, Holy Name Church, and in a brief address said that nothing seemed to him more fitting or could please him more than to have the prayers of the children at this time.

"To tell the truth," confessed the perspiring speaker, "this is only the second time I ever attempted to do any public speaking. The first time was when I proposed to my wife over a rural party line."

membership cards that had not been given out.

It was announced that the Acadia Parish P. & M. Association voted in favor of having a warehouse for the farmers of the community.

The people of Church Point believe and practice that "now more than ever before, the farmers must bear in mind the fact that in Unity there is strength." — The Church Point News.
